TO WHOM IT MAY CONCERN

RE: Janice M. Casarotto

Dear Sir or Madam:

First, let me introduce myself by saying that I have been practicing law for 49 years. In that time, I have worked with and employed numerous other attorneys to assist me in my practice of law, which includes all legal matters.

In the period of time in which I have been practicing law, I have not worked with any attorney that was more conscientious or legally able to handle issues than Janice M. Casarotto. I employed her approximately 3 years ago to assist me with a matter that was in excess of ½ million dollars. She not only assisted with the legal issues involved, but also attended to personal matters for the client. Her fees were extremely reasonable and, if anything, did not adequately compensate herself for her time and efforts spent assisting me.

Janice M. Casarotto has my unqualified support and endorsement. I think you are very fortunate to have an attorney of her capabilities who is willing to subject themselves to public service.

With kindest regards, I remain

Sincerely yours,

H. T. Mullen, Jr.

It is my privilege to write this recommendation for Janice M. Casarotto to be appointed to the position of the 5th Judicial District Judge's vacated seat. I have known Ms. Casarotto for many years, and she was my unequivocal choice for representation in the recent case involving the Attorney David McLean. Representing me as one of his victimized clients, Ms. Casarotto showed the skill, compassion and sense of fairness that was truly inspiring. Her knowledge and expertise in navigating a very difficult and protracted case helped my family and I come to peace with a conclusion that not only saw fair compensation but brought justice in the resolution.

My family and I feel Ms. Casarotto would distinguish herself in the carrying out of the duties required and are pleased to offer our signatures below attesting to this conviction.

Sincerely,

Lillian Johnson
