1 HOUSE BILL NO. 592  
 2 INTRODUCED BY Crawley

3  
 4 A BILL FOR AN ACT ENTITLED: "AN ACT TO PROVIDE FOR  
 5 PRESCRIPTION MONITORING OF CONTROLLED SUBSTANCES THROUGH THE  
 6 USE OF STATE-ISSUED TRIPPLICATE PRESCRIPTION FORMS; AND  
 7 AMENDING SECTION 50-32-208, MCA."

8  
 9 STATEMENT OF INTENT

10 A statement of intent is required for this bill because  
 11 [section 2] grants rulemaking authority to the board of  
 12 pharmacy. In implementing [section 2], the board should base  
 13 its rules on the rules adopted by the state of Texas to  
 14 implement Section 481.075 of Vernon's Texas Codes Annotated.

15  
 16 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

17 **Section 1.** Section 50-32-208, MCA, is amended to read:

18 **"50-32-208.** Prescription and medical requirements for  
 19 scheduled drugs -- penalty. (1) No dangerous drug in  
 20 Schedule II may be dispensed without the written  
 21 prescription of a practitioner. The written prescription  
 22 must meet the requirements of [section 2].

23 (2) In emergency situations, as defined by rule of the  
 24 board, Schedule II drugs may be dispensed upon a  
 25 practitioner's oral prescription reduced promptly to writing

1 and filed by the pharmacy. Prescriptions shall be retained  
 2 in conformity with the requirements of 50-32-309. No  
 3 prescription for a Schedule II drug may be refilled.

4 (3) A dangerous drug included in Schedule III or IV,  
 5 which is a prescription drug as determined under the federal  
 6 or Montana food, drug, and cosmetic acts, shall not be  
 7 dispensed without a written or oral prescription of a  
 8 practitioner. The prescription shall not be filled or  
 9 refilled more than 6 months after the date thereof or be  
 10 refilled more than five times unless renewed by the  
 11 practitioner.

12 (4) A dangerous drug included in Schedule V shall not  
 13 be distributed or dispensed other than for a medical  
 14 purpose.

15 (5) Any person who violates the provisions of this  
 16 section is guilty of a misdemeanor and upon conviction may  
 17 be fined not to exceed \$1,000 or be imprisoned in county  
 18 jail for a term not to exceed 1 year, or both fined and  
 19 imprisoned."

20 NEW SECTION. **Section 2.** Triplicate prescriptions --  
 21 procedure -- exemption -- rulemaking. (1) A practitioner who  
 22 prescribes a controlled substance listed in Schedule II  
 23 shall record the prescription on a prescription form that  
 24 meets the requirements of subsection (2). The board shall  
 25 issue the forms to practitioners only, for a fee covering:

1 (a) the actual cost of printing and processing the  
 2 forms, mailing containers, and binders; and  
 3 (b) the actual cost of mailing the forms.

4 (2) Each prescription form used to prescribe a  
 5 controlled substance must be printed on distinctive paper.  
 6 The serial number of the drug group must be shown on each  
 7 form. Each form must be serially numbered and must be in  
 8 triplicate, with the original copy labeled "Copy 1", the  
 9 duplicate copy labeled "Copy 2", and the triplicate copy  
 10 labeled "Copy 3". Before delivering triplicate prescription  
 11 forms to a practitioner, the board shall print on the forms  
 12 the practitioner's name, address, board registration number,  
 13 and federal drug enforcement administration number. Each  
 14 form must contain spaces for:

15 (a) the date the prescription is written;  
 16 (b) the date the prescription is filled;  
 17 (c) the drug prescribed, the dosage, and instructions  
 18 for use;  
 19 (d) the name, address, and federal drug enforcement  
 20 administration number of the dispensing pharmacy and the  
 21 name of the pharmacist who fills the prescription; and  
 22 (e) the name, address, and age of the person for whom  
 23 the drug is prescribed.

24 (3) Only one prescription may be recorded on a  
 25 prescription form.

1 (4) Except for emergency oral prescriptions of Schedule  
 2 II drugs permitted by 50-32-208, the prescribing  
 3 practitioner shall:

4 (a) legibly fill in, or direct a designated agent to  
 5 legibly fill in, on all three copies of the form in the  
 6 space provided:

7 (i) the date the prescription is written;  
 8 (ii) the drug prescribed; the quantity, shown  
 9 numerically followed by the number written as a word; and  
 10 instructions for use; and  
 11 (iii) the name, address, and age of the patient or, in  
 12 the case of an animal, its owner, for whom the controlled  
 13 substance is prescribed;

14 (b) sign copies 1 and 2 of the form and give them to  
 15 the person authorized to receive the prescription; and  
 16 (c) retain copy 3 of the form with the practitioner's  
 17 records for at least 3 years after the date the prescription  
 18 is written.

19 (5) The dispensing pharmacist shall:

20 (a) fill in on copies 1 and 2 of the form in the space  
 21 provided the information not required to be filled in by the  
 22 prescribing practitioner or by the board;  
 23 (b) retain copy 2 with the records of the pharmacy for  
 24 at least 3 years; and  
 25 (c) sign copy 1 and send it to the board not later than

1 7 days following the end of the month in which the  
2 prescription was filled.

3 (6) A medication order that is written for a patient  
4 who is admitted to a hospital at the time the medication  
5 order is written and filled is not required to be on a form  
6 that meets the requirements of this chapter.

7 (7) Not later than 7 days after the date a  
8 practitioner's board registration number, federal drug  
9 enforcement administration number, or license to practice  
10 has been denied, suspended, canceled, surrendered, or  
11 revoked, the practitioner shall return to the board all  
12 unused forms in the practitioner's possession that were  
13 issued under this section.

14 (8) The board shall adopt rules to implement this  
15 section.

16 NEW SECTION. **Section 3.** Codification instruction.

17 [Section 2] is intended to be codified as an integral part  
18 of Title 50, chapter 32, part 2, and the provisions of Title  
19 50, chapter 32, part 2, apply to [section 2].

STATE OF MONTANA - FISCAL NOTE  
Form BD-15

In compliance with a written request, there is hereby submitted a Fiscal Note for HB0592, as introduced.

DESCRIPTION OF PROPOSED LEGISLATION:

An act to provide for prescription monitoring of controlled substances through the use of state-issued triplicate prescription forms, and amending section 50-32-208, MCA.

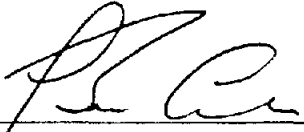

ASSUMPTIONS:

1. The Board of Pharmacy must draft rules and issue the necessary prescription forms. The Board of Pharmacy may charge a fee for the actual cost to print, mail and process the forms, containers, and binders.
2. Cost to implement the program include personal services, equipment supplies, travel, printing, mailing, telephone, computer hardware and software.
3. Based on the experience of a similar program in the state of Idaho; approximately 4,200 prescriptions per month will be processed, forms will cost \$7 per 100, an additional 2.00 FTE's will be required, and documents will be stored for three years. An educational program for the practitioners will be necessary.
4. Approximately 275 pharmacies will participate in the program within the state of Montana.
5. The Professional and Occupational Licensing Bureau (POL Bureau), in conjunction with the Board of Pharmacy, will process and coordinate the adoption of rules, continuing education programs, and provide general administrative support. The additional services caused by the proposed legislation will require an additional 2.00 FTE in the POL Bureau.
6. Administrative overhead cost must be reflected in the budget for the Professional and Occupational Licensing Bureau of the Department of Commerce.
7. Current law is represented by the executive budget recommendation for the Board of Pharmacy in the Department of Commerce during the 1993 biennium.

TECHNICAL NOTE:

The title of the proposed legislation does not include the authorization for the Board of Pharmacy to charge a fee to recover the actual cost to print, mail and process the proposed prescription forms. Article V, section 11(3) of the state constitution states any act or authority not expressed in the title of the bill is void.
