STATE OF MONTANA - FISCAL NOTE
Form BD-15

In compliance with a written request, there is hereby submitted a Fiscal Note for SB0174, as introduced.

DESCRIPTION OF PROPOSED LEGISLATION:

An act providing for continuing education for psychologists; authorizing a fee for administering the continuing education program; changing the length of term for members of the Board of Psychologists; amending existing statutes; and providing an immediate effective and applicability date.

ASSUMPTIONS:

1. A mandatory continuing education program will cause an approximate 25% increase in the Board of Psychologists current work load. Consequently, board expenditures in personal services, communication, travel, administrative overhead and other categories will increase.
2. Approximately 170 licensees will pay an additional license fee of \$33 per year for the increased costs.
3. The increase in administrative overhead must be represented in the biennial budget for the Professional and Occupational Licensing Bureau of the Department of Commerce.
4. Current law is represented by the executive budget recommendation for the Board of Psychologists in the Department of Commerce.
