Subcommittee HEARING ON SB 315

Rep. Mood opened the meeting. He showed the Subcommittee members some pictures he had taken at the two container sites in Granite County. He gave some possible solutions to the wording in the Bill so that the difference between "container site" and "transfer site" would remain intact while at the same time providing some financial relief for smaller counties with similar problems for getting enough funding together for licensing.

Mr. Don Allen also participated in the discussion of the Subcommittee meeting.
{Tape: 1; Side: a; Approx. Time Count: 8.5; Comments: none.}

The Subcommittee agreed that the amendments supplied by Rep. Mood would make this a better Bill and would also help other smaller counties that were about to face the same problem that Granite county has.
