\*Caseload numbers reflect direct appeals, original proceedings, and attorney disciplinary proceedings.

\*\* This number reflects appeals which had been assigned a Supreme Court case number but where the appeal had not yet reached the briefing schedule by the end of the reporting period. Excluding this number from the overall caseload will provide a basis to compare current caseloads with pre-2007 caseloads whereby an appeal was not docketed until the lower court record was filed, 40 days after the notice of appeal was filed in the district court.
