Pre-Trial Decision

27. **Declaratory Relief**

As a general rule, this Court will not disturb a district court's determination that declaratory relief is not necessary or proper unless the district court abused its discretion. **Donaldson v. State**, 2012 MT 288, ¶ 7, 367 Mont. 228, 292 P.3d 364 (citations omitted). We review the court's interpretations of law to determine whether they are correct. **Donaldson**, ¶ 7 (citation omitted).
