

**MONTANA WATER COURT
CLARK FORK DIVISION
CLARK FORK RIVER ABOVE BLACKFOOT RIVER
BASIN 76G**

**NOTICE THAT OBJECTIONS HAVE BEEN FILED
AND HEARINGS REQUESTED**

This is your personal notice that the Montana Water Court will hear objections, receive evidence, and review the historical beneficial use of water right claims diverted or used in Basin 76G Clark Fork River above the Blackfoot River. The Water Court included these claims in the Basin 76G Preliminary Decree issued on November 14, 2024.

WHAT IS HAPPENING?

An **Objection List** has been prepared that identifies the claim number, the ownership, the water source involved, the names of any objectors, and the DNRC examination report issues, all of which the Water Court will review. Any water right claim on the list could change as a result of this review. *Changes to a neighbor's water right may affect your water rights.* After the Water Court completes its review of these claims, a water commissioner could be appointed to enforce the provisions of these claims on any of the sources involved. The purpose of this proceeding is to determine the historical beneficial use of the claims involved in this drainage. If you are not the claimant or objector and you want to be kept informed of the progress of a water right claim through the Water Court, or to become involved as a third party in the claim proceedings, you must file a **Notice of Intent to Appear**.

For your protection, we suggest that you thoroughly review the Objection List and then decide whether to file a notice of intent to appear. You can see the objection list for this basin and obtain the proper forms at the locations listed below.

WHO MAY FILE A NOTICE OF INTENT TO APPEAR?

If you are **not already involved** in a specific water right claim as the claimant or objector, but you wish to intervene and to participate in the proceeding regarding a specific water right claim, you may file a **Notice of Intent to Appear**. Those who timely file a **Notice of Intent to Appear** on a claim will receive notice of all further proceedings relevant to the Court's review of that specific claim.

FILING DEADLINE

A **Notice of Intent to Appear** must be filed on the forms provided by the Water Court and must be returned to the Water Court by **July 21, 2026**.
