APPLICABLE LAW

The Montana Water Court has jurisdiction over all matters relating to the determination of existing water rights. Section 3-7-224, MCA.

"All issue remarks to claims that are not resolved through the filing of an objection as provided in 85-2-233 must be resolved as provided in this section." Section 85-2-248(2), MCA.

Rule 2(a)(33), W.R.C.E.R., states: "'Implied Claim' means a claim authorized by the water court to be separated and individually identified when a statement of claim includes multiple rights."

Rule 2(a)(63), W.R.C.E.R., states: "'Split Claim' means the division of one water right claim into two or more separate claims. When a claim is split, one portion of the claim maintains the original claim number and the other separated portions are assigned new claim numbers."

A properly filed Statement of Claim for Existing Water Right is prima facie proof of its content pursuant to section 85-2-227, MCA. This prima facie proof may be contradicted and overcome by other evidence that proves, by a preponderance of the evidence, that the elements of the claim do not accurately reflect the beneficial use of the water right as it existed prior to July 1, 1973. This is the burden of proof for every assertion that a claim is incorrect, including for claimants objecting to their own claims. Rule 19, W.R.Adj.R.

FINDINGS OF FACT

1. The Unopposed Motion requests generation of an implied claim from each of the claims in this Case. The Unopposed Motion does not request dividing the claims because two different water rights are claimed, a prerequisite for generating an implied claim. Instead, what is requested is dividing each claimed right into a separate claim for each owner. Split claims rather than implied claims should be generated for the Montana State Board of Land Commissioners - Forestry and Trust Lands Division portion of each claimed right.

2. Claim 400 30135293 appeared in the Interlocutory Decree with the following remarks:

THIS CLAIM NUMBER WAS NOT INCLUDED IN THE BASIN 400 DECREE ISSUED 05/24/1995.
