CORRECTION ORDER

On October 19, 2026, the Court issued an Order Splitting Claims in this case. The narrative portion of the Order contains a table describing the portions of the places of use allocated to each of the parties. On October 22, 2026, counsel for claimant Brian Ashe filed a Notice of Error identifying a legal land description error in one of the points of diversion in the table. Based on the Notice and the Court's authority to correct clerical errors under Rule 60(a), M.R.Civ.P., the Court provides this Correction Order correcting the table. No other modifications are made to the Order Splitting Claims and no modifications to the abstracts are necessary.

ORDER

Therefore, it is ORDERED that Order Splitting Claims is corrected by substituting the following table for the table set forth in the Order, with the modification to place of use ID nos. 1 for Ashe's claims 41H 103725-00 and 41H 103726-00 noted in bold and italicized font as follows:
