

Montana Pro Bono Connect Phone Advice Project

How it Works:

Attorneys are asked to donate an hour or two of their time to provide over the phone advice to pre-screened clients in need of advice with a civil legal issue including parenting plans, dissolutions, child support, wills and estates, housing, bankruptcy, consumer, federal tax, and employment issues. Calls can be made from anywhere at a date and time convenient to the attorney and the attorney dictates the topics they would like to advise on.

Time Commitment per Client:

Training and Benefits:

MLSA can provide a mentor in the area of consumer law. MLSA will also provide your malpractice and will provide administrative assistance for the scheduling and follow up each advice call. Any time spent volunteering for the Consumer Advocacy Advice Project counts towards the 50 hours needed for a free CLE.

How to Get Involved:

Call or email Angie Wagenhals at 442-9830 ext. 148 or awagenha@mtlsa.org.
