

Statistics for the District Courts, starting in 2007, are produced through the Central Court Repository, maintained by the Supreme Court Administrator's Office. In 2007, the District Courts were in the middle of a transition to a new, modern case management system so statistics were gathered from the legacy case management system and the new case management system. Questions can be directed to the Supreme Court Administrator's Office at 406-841-2950.
