Program Narrative:

- ★ Must identify the population to be served and who makes referrals to the program.
- ★ If this is a revised plan, please explain what is being revised: budget, program, or both (e.g., if budget, simply state, Plan was originally approved for \$10,000, reducing amount to \$5,000, resulting in an estimated cost calculation of \$50.00 per session/hour x 100 youth - \$5,000.00).

The Youth Court will contract with _____ to provide Moral Reconciliation Therapy to court ordered juveniles. Referral will come directly from Youth Court staff. Moral Reconciliation Therapy (MRT) focuses systematically on seven basic treatment issues: confrontation of beliefs, attitudes and behaviors, assessment of current relationships, reinforcement of positive behavior and habits, positive identity formation: enhancement of self-concept, decrease in hedonism and development of frustration tolerance, and development of higher stages of moral reasoning.

Groups will be 5 or more youth up to 10 youth per group and will have two instructors. MRT

lasts a minimum of 12 weeks to complete. The MRT workbooks will be used and the program will be implemented by only certified MRT instructors.

No This proposal is presumed to be a service not requiring further explanation (e.g., sex offender evaluation, psychological evaluation, drug and alcohol evaluation, etc.).
