

STATE OF MONTANA  
Office of the Governor  
EXECUTIVE ORDER 9-73

RESCINDED  
2-1-82

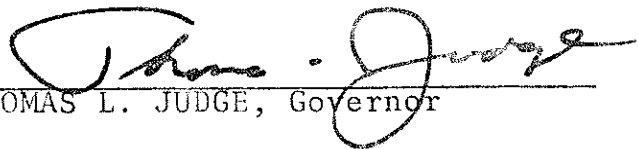

Executive Order providing that the Department of Social and Rehabilitation Services shall undertake the implementation of a statewide youth service system to supplement other state and local efforts through program development, coordination and comprehensive planning for youth development and delinquency prevention.

---

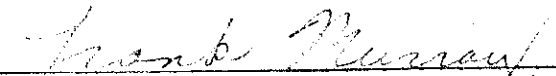

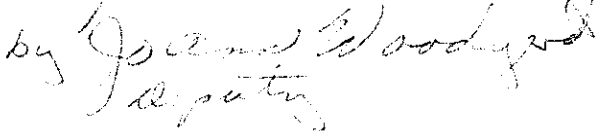

The Department of Social and Rehabilitation Services is engaged in program development and comprehensive planning for preventing youth from entering the Juvenile Justice System and criminal careers, requiring close coordination and interrelationship with other state and local youth service agencies.

THEREFORE, I, THOMAS L. JUDGE, by the power vested in me as Governor of the State of Montana, hereby designate the Department of Social and Rehabilitation Services as the responsible state agency to seek and receive federal support necessary to implement a statewide Youth Service System for youth development and delinquency prevention, coordination and comprehensive planning.

Given under my hand and the GREAT SEAL of the State of Montana this 30th day of November, in the year of our LORD, One Thousand, Nine Hundred Seventy-three.

  
THOMAS L. JUDGE, Governor
