

STATE OF MONTANA
Executive Order No. 14-79
Office of the Governor

RESCINDED
2-1-82

Executive Order requiring all state-owned or leased office buildings to comply with the Presidential Proclamation, issued by President Carter, on July 10, 1979.

I, THOMAS L. JUDGE, in accordance with the authority vested in me as Governor by the laws and Constitution of the State of Montana, and in recognition of our nation's immediate need to conserve our natural resources and maximize the energy efficient use of all states offices and facilities, hereby order as follows:

I.

That all Executive Branch agencies under the Constitution and laws of Montana shall, effective the date of this Order, comply with the Presidential Proclamation and set all thermostatically controlled air conditioning or refrigeration equipment in all state-owned or leased buildings to a temperature of not less than 78 degrees, no higher than 65 degrees for heating and no higher than 105 degrees for water heating.

II.

That the Department of Administration, as custodian of state-owned buildings, shall immediately implement policies and procedures necessary to insure that all state-owned or leased buildings are in strict compliance with this Order.

III.

That this Executive Order supersedes and repeals any prior Executive Orders inconsistent with its terms, specifically Executive Order Nos. 5-73 and 7-77.

IV.

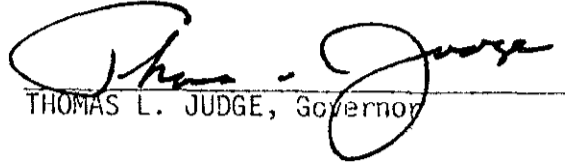

This Order shall be effective through the 16th day of April, 1980.
