OFFICE OF THE COMMISSIONER  
MONTANA CAMPAIGN PRACTICES ACT

March 25, 1977

Honorable Joe Brand, Chairman  
State Administration Committee  
Montana House of Representatives  
Capitol Building  
Helena, Montana 59601

Dear Representative Brand and Members of the House State Administration Committee:

As discussed with you on prior occasions, I will, in the near future, initiate a comprehensive review of the election laws as they relate to campaign finances and practices. In conducting this review, which will be aimed at simplifying and modifying the reporting forms and record keeping procedures, I will call upon the expertise of the members of the Advisory Committee to this office. This committee (which includes representation from both political parties of the Legislature; Democrat and Republican Party; COPE; Chamber of Commerce; Common Cause; Conservative Caucus; League of Women Voters; American Party; Women's Political Caucus; Municipal Clerks, Treasurers, and Finance Officers Assn.; School Business Officials Assn; County Clerks and Records Assn; and County Attorney's Assn.) will provide valuable assistance in the review process. The views and input from these individuals will most certainly result in more simplified reporting forms.

I personally offer my assurance that, in accordance with House Joint Resolution No. 79, the reporting forms for those of you who will be involved in the 1978 elections will be simplified to the extent that the current provisions of the law allow. Additionally, legislation which will allow further simplification, without creating loopholes within the intent and spirit of the Campaign Practices Act, will be prepared and presented to the next Legislature for its thoughtful consideration.

This office realizes that the implementation of the Campaign Practices Act has not been without mistake and that compliance has caused difficulty and frustration for some candidates. I am, however, confident that the past elections have provided a basis upon which to modify the Administration of the Act.

Thank you for your helpful cooperation and consideration in this matter.

Sincerely yours,

JOHN N. HANSON  
Commissioner
