MONTANA STATE SENATE

January 22, 1979

The fifth meeting of the Agriculture, Livestock and Irrigation Committee was called to order on the above date in Room 415 of the State Capitol Building by Chairman Galt at 1:30 p.m.

ROLL CALL: All members were present with the exception of Senators Graham and Nelson.

CONSIDERATION OF HOUSE BILL 5: Representative Kvaalen who had signed the bill did not appear at the meeting. The Code Commissioner for the bill was attending another hearing so could not be present.

The committee felt that most of the changes were grammatical or updated language.

DISPOSITION OF HOUSE BILL 5: Senator Kolstad moved to strike the language between line 11 and line 12. Motion carried unanimously.

Senator Kolstad moved that House Bill 5 as amended BE CONCURRED IN. Motion carried unanimously.

Senator Boylan moved that House Bill 5 be put on the consent calendar. Motion carried unanimously. Senator Conover will answer any questions that come up on the floor.

After talking with the Legislative Council they did not feel an amendment was necessary on the bill since the error made was by the computer. They would run the bill through the computer again. Senator Galt said the committee would then reconsider the bill.

The meeting was then adjourned.
