The Committee asked Mr. Hufford questions relating to the financing of projects. Mr. Hufford stated notes would be underwritten by municipal bond firms.

Senator Lowe questioned the lack of words, "Revenue Bonds" in the bill. Senator Lowe thinks SB 268 is a good bill concerning interim financing, but he thinks there needs to be more clarification of wording in the bill.

The Committee passed consideration of the bill until Senator Lowe and Mr. Harrison have had an opportunity to work on language clarification in the bill.
