

MINUTES OF THE MEETING  
RULES  
MONTANA STATE SENATE

March 21, 1979

The meeting of the Senate Rules Committee was called to order by Chairman Stephens at 2:15 p.m. on the above date in Room 331 of the State Capitol.

ROLL CALL: All members were present, with the exception of Senator Thiessen.

The regular session of the Senate was in recess for the purpose of this meeting to determine if the ruling to not allow debate on Order of Business #2 on a majority report on H.B. 774, made by President Mathers, should be upheld.

After referring to Mason's Legislative Procedure Manual, and thorough discussion, Senator Turnage moved that under S4-1, page 72 of the rules of the 46th legislature, only debate on the minority report be allowed, and that the ruling of the chair be upheld, and so moved, that Chairman Stephens report this action to the whole Senate.

The meeting adjourned at 2:20 p.m.
