MINUTES OF THE MEETING
RULES
MONTANA STATE SENATE

March 23, 1979

The meeting of the Senate Rules Committee was called to order
by Chairman Stephens at 9:15 a.m. on the above date in Room 331
of the State Capitol.

RECONSIDERATION OF S.B. 70: John Larson reported that he
has spoken to Joe Roberts of the Governor's staff and he has
agreed that the statement of intent will be attached to this
bill as an amendatory veto. On motion of Senator Hazelbaker,
the bill was reported out of Committee and sent to enrolling.

CONSIDERATION OF HJR 57: (introduced by Robbins, Mehrens)
This is a joint resolution commending the National Guard for
services rendered the institutions during the strike, and needs
a ruling for suspension of the rules to allow its introduction
in the Senate. Senator Jergeson so moved. Motion carried.

CONSIDERATION OF HJR 52: (introduced by Scully) Repre-
sentative Scully appeared before the committee and gave the
history of why this resolution missed the transmittal deadline.
It would appear there was a mixup in the House which caused the
delay. Senator Stephens reminded the memebrs that we had already
denied two other requests for suspension of the rules which is
the question here, and that there will likely be other requests.
Senator Kolstad moved that we suspend the rules because we need a
resolution like this even though his SJR 6 was killed. On a tie
vote of three to three and four members absent, the question is
dead.

The meeting adjourned at 9:35 a.m.
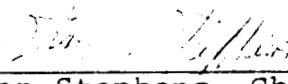

_____
Stan Stephens, Chairman

4/2/79 P.S. re: S.B. 70: The Governor has indicated he does not
want to become involved in an amendatory veto with a statement
of intent and therefore has asked that we request to have the bill
returned to second reading, which was done, and the Committee of
the Whole put the Statement of Intent on the bill.

ROLL CALL: All members were present with the exception of
Senators Graham, Smith, Thiessen, and Turnage. (Insert above)

MOTION:

STATEMENT OF INTENT

SB 70

The legislature intends that persons engaged in the
transportation of buildings other than mobile homes be permitted
to offer such transportation service on a statewide basis rather
than on a regional basis. Rules adopted under this bill shall
provide for the reissuance of certificates of public convenience
and necessity to those persons engaged solely in the transportation
of buildings and for the modification of certificates issued to
persons authorized to engage in other activities in addition to
building transportation.
