

MINUTES OF THE MEETING
RULES
MONTANA STATE SENATE

April 3, 1979

The meeting of the Senate Rules Committee was called to order by Chairman Stephens at 2:33 p.m. on the above date in Room 331 of the State Capitol.

ROLL CALL: All members were present with no exceptions.

The question of Senator Towe's substitute motion that the motion of Senator Fasbender for adoption of the Minority Report on House Bill 906 be laid on the table is before the Rules Committee on a recess of the Senate. The consensus of this Committee is that the motion is in order, however, it was further determined that if the motion prevails the bill goes with the minority report, therefore, there would be no majority report to vote on.

The meeting adjourned at 2:38 p.m.

Stan Stephens, Chairman

*Amended Motion of James Earl Thayer by Report on A.D. 1906
