

MINUTES OF THE HUMAN SERVICES COMMITTEE MEETING HELD
JANUARY 7, 1981, 12:30 p.m.

The meeting was called to order by Chairman Budd Gould.

All members were present with the exception of Representatives Bardanouve, Brand, Sivertsen and Switzer.

Chairman Gould said the committee would be handled somewhat differently than in the past. He said in talking with Legal Researcher Russ Josephson and other committee people, when a committee member wishes to be recognized, he should raise his hand, ask to be recognized and then introduce the witness. He would like each committee member to identify him/herself.

PROCEDURE IN HEARINGS: The Sponsor of the bill will speak first. Proponents speak after the sponsor; followed by opponents. Discussion and questions will follow. Proponent closes. Purpose of this is so outside persons cannot come in and speak against a bill after it has been discussed. If you sign up as a proponent, you cannot speak as an opponent.

DISCUSSION RE SEATING, SIZE OF ROOM, NOISE: As this is a large room, it may be hard for everyone to hear. It is especially important that there be no talking which would disrupt the meeting. If any committee member notices witnesses or anyone else being unduly noisy, call this to the attention of the chairman and he will call for "quiet". If they do not stop talking, they will be asked to leave the room.

If a Committee member is unable to attend any meeting, please advise the chairman and leave a note for Fred Brown, the Chairman's Assistant, so he can advise the secretary so she can note the committee member as either "absent" or "excused".

VOTING: If a committee member has been excused or cannot be present to vote, he may submit a proxy vote to the Chairman, providing the Bill is a straight DO PASS or DO NOT PASS. However, if the bill is amended, he may not vote by proxy.

FIRST HEARING FRIDAY, JANUARY 9, 1981 at 12:30 p.m. House Joint Resolution regarding recipients of public welfare sponsored by Rep. Moore will be heard. Also, HB 7 sponsored by Rep. Keyser regarding regulating the utilization of Physician's Assistants, will be heard.

The meeting adjourned at 1:10 P.M.
