

MINUTES OF THE MEETING OF THE JOINT APPROPRIATION SUBCOMMITTEE  
ON EDUCATION

February 9, 1981

The Executive Session on the Vo-Tech Centers of the Joint Appropriation Subcommittee on Education was called to order at 8:15 a.m. on Monday, February 9, 1981 by Chairman Donaldson in Room 104, Capitol Bldg., Helena, Montana.

All members were present including John Bebee, Fiscal Analyst.

JOHN BEBEE explained the equipment requested by each center.  
(EXHIBIT A)

TOM CROSSER pointed out that the Butte equipment request is based on the building being built.

Discussion on the Billing's equipment request was held.

REP. BENGTSON moved that the committee accept the revised agency request for \$13,484 for FY 82 and \$13,484 for FY 83 for a total of \$26,968 for the biennium for Equipment. MOTION PASSED UNANIMOUSLY.

Discussion was held on the Butte equipment request.

SENATOR HAFFEY moved that the committee adopt the revised agency request for Equipment for \$113,330 for the biennium.

Discussion was held on the request with concern on the new building being built and if it isn't whether this is an adequate amount.

SENATOR HAFFEY withdrew his motion.

SENATOR HAFFEY asked Mr. Freebourn what he felt would be best to handle this equipment.

MR. FREEBOURN stated that it would be better to make do. The instructional related equipment we need anyway.

SENATOR HAFFEY moved that the committee accept the Executive recommendation for the Butte request for Equipment for \$37,850 for FY 82 and \$6,450 for FY 83 for a total of \$44,300 for the biennium. MOTION PASSED UNANIMOUSLY.

Discussion was held in regard to the equipment request for the Great Falls Vo-Tech Center.

REP. BENGTSON moved that the committee accept the revised agency request for Equipment for the Great Falls Vo-Tech for \$39,200 for FY 82 and \$49,900 for FY 83 for a total of \$89,100 for the biennium. MOTION PASSED UNANIMOUSLY.

Discussion was held in regard to the Helena Vo-Tech equipment request.

REP. BENGTSON moved that the committee accept the Executive recommendation for Equipment for the Helena Vo-Tech Center for \$57,600 for FY 82 and \$64,850 for FY 83 for a total of \$122,450 for the biennium. MOTION PASSED UNANIMOUSLY.

Discussion was held in regard to the Missoula equipment request.

CHAIRMAN DONALDSON asked Mr. Downey if the enrollment increases in the Computer Programming is a need or an up date of credit.

MR. DOWNEY stated that it is both. There is a large interest in Data Processing and it also allows better access to the equipment, the computer itself.

REP. BENGTSON moved that the committee accept the revised agency request for Equipment for the Missoula Vo-Tech for \$88,470 for FY 82 and \$50,715 for FY 83 for a total of \$139,185 for the biennium. MOTION PASSED UNANIMOUSLY.

AUDIT COSTS were discussed. (See EXHIBIT A of 2-6-81 minutes.)

REP. BENGTSON moved that the committee make audit costs a line item for \$71,000 based on the Executive recommendation for all centers. MOTION PASSED UNANIMOUSLY.

JOHN BEBEE explained the Personal Services and Operating Expense requests for each center. He explained that any differences would be in the Operating Expenses. (EXHIBIT B)

CHAIRMAN DONALDSON suggested that the committee should wait to make a decision. He stated that if we apply the caps as we thought about our decisions in regard to the revenues, the caps would not cover the equipment expenditure. We need more documentation on how the caps would affect this.

MODIFICATIONS were discussed for Billings (EXHIBIT C), Butte (EXHIBIT D), Great Falls and Helena (EXHIBIT E) and Missoula (EXHIBIT F).

Meeting adjourned at 10:50 a.m.

JUSTIFICATION  
SUMMER PROGRAM

(A) Reinstatement of Summer Session

The Butte Vo-Tech Center, due to reduction in Budget by the 49th Legislature, lost its Summer Session except for the LPN in 1978. The LPN Program was cut in 1979 due to further insufficient funding.

The loss of the Summer Program has created various problems for the students. A student taking a four quarter program completed three quarters by the end of the school year, is off during the summer and then is required to return Fall Quarter to complete the program. Often the case is, being off for the Summer results in Fall Quarter becoming an updating/refresher period. Many times requiring the student to register for Winter Quarter to complete.

Students attending school as Veterans, on Grants, Work-Study, etc., are forced to find summer employment because their checks have been discontinued until commencement of Fall Quarter. This especially burdens a student with a family.

MEMORANDUM

February 5, 1981

TO: Members of the Joint Appropriation Subcommittee on Education  
FROM: Thomas E. Downey *Geno*  
SUBJECT: 1982-83 Biennium Revised Expanded Program Request

The original 1982-83 Missoula Vocational Technical Center biennium budget request includes \$271,424 in FY 82 and \$298,987 in 1983 for expanded programming. This original request is based on expressed need and interest. This request has been reviewed, reduced and prioritized and is being submitted for your consideration. Reduction in the request was made because of the reality of finite resources. Because of expressed need, it was felt limited expansion should be submitted for consideration.
