

MINUTES OF THE MEETING
BUSINESS AND INDUSTRY COMMITTEE
MONTANA STATE SENATE

The first meeting of the Business and Industry Committee was called to order by Chairman Frank W. Hazelbaker on January 9, 1981, in Room 404 of the State Capitol Building at 10:00 a.m.

ROLL CALL: All members were present.

Chairman Hazelbaker introduced Greg Petesch, Researcher, and Minna Miller, Secretary.

Chairman Hazelbaker explained that there will be considerable business within the next 95 days. He stated that at this time we have five Bills in Committee: Bills number two, five, 21, 49 and 57. The next meeting of this committee will be on Monday, January 12, 1981, at 10:00 in this room; henceforth all meetings will be held on Monday, Wednesday and Friday at this time unless otherwise indicated. Bill number 57 has been posted and will be considered at the next meeting.

This was primarily an organizational meeting, and therefore was fairly short. Because he has to attend an EQC meeting on Monday, Senator Dover requested to be excused from this committee's meeting, which request was granted by Chairman Hazelbaker.

There being no further business, the meeting was adjourned.

FRANK W. HAZELBAKER,
Chairman
