Stan:

We should have a Rules Committee meeting, the result of which would be a declaration that any non-revenue bill not delivered by the Legislative Council to the Senator and introduced by him by 5 P.M., February ~~16~~, 1981, will not be received for introduction. 13

It appears that this is the latest reasonable time that we could have a bill introduced, posted for hearing, heard and reported out of committee without a rules suspension.
