

MINUTES OF THE MEETING
STATE ADMINISTRATION COMMITTEE
MONTANA STATE SENATE

March 18, 1983

The fiftieth meeting of the Senate State Administration Committee was called to order by Senator Pete Story on March 18, 1983 at 10:00 a.m. in room 331 of the State Capitol Building in Helena, Montana.

ROLL CALL: Roll was called and all members were present. Senator Lee did not attend this meeting.

The meeting was called for EXECUTIVE SESSION:

EXECUTIVE SESSION:

ACTION ON HOUSE BILL 199: (Military Affairs)
SENATOR MARBUT directed questions to Major Kenneth Cottrill and asked about taking out food and clothing as shown on page 6 of the bill. Major Cottrill stated that it was a recommendation of the legislative auditor. He said that if there were an emergency they would take what they needed under Marshall Law. Senator Marbut asked about a local disaster. Major Cottrill said that he does not think that would make a difference. Senator Marbut referred to section 1 page 1 and the loose terms as to who is responsible for those state employees going on active duty. Major Cottrill said the national guard has full time employees who are state employees and for a long time had full time employees that were civil service technicians and when they converted them to a form of active duty, doing the same job but now being paid with active duty, title 32 funds, in an active duty capacity. When they put them on active duty there was some loose terms in federal law regarding active duty and who is responsible for punitive action against these people. The ruling at this point is, unless the state takes positive action it is up to the ruling military authority. What the state is asking is that they say these people are under the direct control of the Adjutant General.
