

MINUTES OF THE MEETING
BUSINESS & INDUSTRY COMMITTEE
MONTANA STATE SENATE

January 8, 1985

The first meeting of the Business & Industry Committee was called to order at 10 a.m. on January 8, 1985 by Chairman Mike Halligan in Room 410 of the Capitol Building.

ROLL CALL: Seven members were present with Senator Boylan, Kolstad and Neuman absent.

Chairman Mike Halligan told the committee members present the meetings would start at 10 each morning and will be meeting on Monday through Fridays.

Staff Attorney from the Legislative Council, Mary McCue, and Secretary, Carol Duval, were introduced to the committee members.

Chairman Halligan noted that the Supreme Court Chambers will be available should a large hearing have to be held.

The secretary will note the roll call each morning.

Chairman Halligan stated he hopes to have an executive session at least once each week and will try to have three days between hearing and executive action. He noted that we will rotate each time a roll call vote is called for so that a different person would be the first one voting each time rather than voting in the same order each time. There will be no seconds required in executive session. You may not leave votes or pairs with the committee. If a committee member has to leave before the voting, the voting will not be done until he is present. The committee will be sending out initial sponsor notices to those who will be presenting a bill telling them when his or her bill is scheduled and if there is a conflict they should then contact the Chairman for re-scheduling.

The procedure of the meetings will be testimony by the sponsor first, then proponents and opponents last.

The committee members will donate to a coffee fund for the committee.
