PROPOSED JOINT RULES REVISIONS

Chairman Gage opened the meeting by informing the Committee members that in the December 13, 1988 meeting the committee agreed to leave the stricken language in bills. The Legislative Council has indicated the bill that was drafted to institute this change would not be effective until the 1991 session.

Representative Hannah made a motion to leave rule [40-60] Enrolling.(1) as it is in the rules.

Motion Passed

CHAPTER 3 - COMMITTEES

[30-60] Joint committee to estimate revenue. Senator Gage told the committee that mention had been made to have the Revenue Oversight Committee handle revenue estimating. Another concern was whether the Chairman should be from the Senate as opposed to the House.

Representative Ramirez moved that the Revenue Oversight Committee estimate revenue, chairmanship would be already decided as it is on a rotating basis in the Revenue Oversight Committee, and revenue figures would be in place before the session begins.

Motion Failed

CHAPTER 4 - LEGISLATION

[40-200] Transmittal deadlines. Senator Gage led the discussion regarding transmittal dates of Senate revenue bills, House revenue bills, and House appropriation bills.

Senator Quilici suggested that House revenue bills be transmitted to the Senate on the 70th legislative day, Senate revenue bills be transmitted to the House on the 68th or 69th legislative day.

The Committee members could not reach a consensus and further discussion of transmittal deadlines was tabled until January 5th meeting.

The meeting was adjourned at 4:30 p.m.
