#### **Amendments, Discussion, and Votes:**

Representative Robert Clark stated that he had a question on the amendments (See attached copy). He asked on the first amendment, line thirteen following 44-1-804, are we supposed to strike 44-1-806.

Senator Pipinich stated that 44-1-806 should not be stricken, they will just insert "and".

Representative Vicki Cocchiarella asked Tom Schneider to explain what we are doing with the amendments, and how this is

all going to come out in the end.

Tom Schneider stated that they had two choices, they could either argue the senate house amendments and also put in a coordinating clause, because of HB 232. Or they could strike the whole section and go back to current language. Peter Funk, from the department of justice, also agrees that he could live with the current language.

The motion by Representative Vicki Cocchiarella to amend SB 251 passed unanimously.

Recommendation and Vote:

The motion by Senator Bob Pipinich to do pass SB 251 as amended passed unanimously.
