Discussion:

Senator Jergeson suggested putting in the language "to whom disbursements are made by the holder of the proceeds from the sale of oil, gas, casinghead gas, or other related hydrocarbons". He said Todd Everett had asked whether there should be a codification instruction.

Todd Everett said the code commission could put in a codification instruction if it became an issue.

Representative Bergsagel said the Free Conference Committee members had all been informed of the suggested amendment, and that all of the members had agreed upon it.

Motion\Vote:

Senator Jergeson made a motion to amend SB 311 by inserting "to whom disbursements are made by the holder of the proceeds from the sale of oil, gas, casinghead gas, or other related hydrocarbons" on page 2, line 7 following " interest owner" on the salmon reference copy. The motion CARRIED UNANIMOUSLY.
