9 was required to be filed with the secretary of state. In no
10 case, however, may an argument be submitted for filing later
11 than 70 days before the election at which the issue will be
12 voted on by the people. A majority of the committee

 5 rebuttal argument shall be approved and signed by a majority
 6 of the committee responsible for its preparation. Separate

 8 manner as for the original arguments.

9 Section 19. There is a new R.C.M. section numbered
 10 37-133 that reads as follows:

11 37-133. Rejection of improper arguments --
 12 responsibility of author for content. (1) The secretary of
 13 state shall reject, with the approval of the attorney

 15 obscene, vulgar, profane, scandalous, libelous, or
 16 defamatory matter; any language that in any way incites,
 17 counsels, promotes, or advocates hatred, abuse, violence, or
 18 hostility toward, or that tends to cast ridicule or shame
 19 upon, a group of persons by reason of race, color, religion,
 20 or sex; or any matter not allowed to be sent through the
 21 mail. Such arguments may not be filed or printed in the
 22 voter information pamphlet.

23 (2) Nothing in this act relieves an author of any
 24 argument from civil or criminal responsibility for
 25 statements contained in an argument printed in the voter

1 information pamphlet.

2 Section 20. There is a new R.C.M. section numbered
 3 37-134 that reads as follows:

4 37-134. Printing and distribution of voter information
 5 pamphlet. (1) The secretary of state shall arrange with the
 6 department of administration by requisition for the printing

 10 requisition shall include a delivery list providing for
 11 shipment of the required number of pamphlets to each county
 12 and to the secretary of state.

13 (2) The secretary of state shall estimate the number
 14 of copies necessary to furnish one copy to every voter in
 15 each county and provide for an extra supply of the pamphlets
 16 in his office in determining the number of voter pamphlets
 17 to be ordered in the requisition.

18 (3) The department of administration shall call for
 19 bids and contract with the lowest bidder for the printing
 20 and delivery of the voter information pamphlet. The contract
 21 shall require completion of printing and shipment, as
 22 specified on the delivery list, of the voter information
 23 pamphlets by not later than 30 days before the election at
 24 which the ballot issues will be voted on by the people.

25 (4) The county official responsible for voter

3 no later than 2 weeks after the pamphlets are received from
4 the printer.

5 (5) Ten copies of the voter information pamphlet shall
6 be available at each precinct for use by any voter wishing
7 to read the explanatory information and complete text before
8 voting on the ballot issues.

9 Section 21. There is a new R.C.M. section numbered
10 37-135 that reads as follows:

11 37-135. Secretary of state to certify ballot form. (1)
12 The secretary of state shall furnish to the official of each
13 county responsible for preparation and printing of the
14 ballots, at the same time as he certifies the names of the
15 persons who are candidates for offices to be filled at the
16 election, a certified copy of the form in which each ballot
17 issue to be voted on by the people at that election is to
18 appear on the ballot. Unless otherwise provided in the
19 legislative act or petition placing the issue on the ballot,
20 the secretary of state shall list for each issue the number,
21 the method of placement on the ballot, the title, and the
22 statements of the implication of a vote for or against the
23 issue that are to be placed beside the diagram for marking
24 the ballot. The secretary of state shall use for each ballot
25 issue the title of the legislative act, legislative

1 constitutional proposal, or ballot issue proposed by any
2 type of initiative petition unless that title exceeds 100
3 words. A title of 100 words or less for the ballot shall be
4 provided by the legislature or the organization circulating
5 the petition if the official title exceeds 100 words.
6 Following the number of the ballot issue, the secretary of
7 state shall include one of the following statements to
8 identify why the issue has been placed on the ballot:

16 (2) Each of the county officials responsible for the
17 preparation and printing of the ballots shall print the
18 ballot issues on the official ballot in the form and order

20 state. All ballot issues shall be placed on the official
21 ballot prescribed by 23-3506, 23-3804, or 23-3904 unless
22 specific written approval by the secretary of state for
23 placing the ballot issues on a separate ballot is received
24 by the official responsible for printing the ballot. The
25 secretary of state may issue such approval only when the

1 number of issues to be voted on at an election makes it
 2 impossible to print the entire ballot, including the ballot
 3 issues, on the official ballot as prescribed by 23-3506,
 4 23-3804, or 23-3904.

5 Section 22. There is a new R.C.M. section numbered

 11 returned. The abstract of votes on ballot issues shall be
 12 prepared and returned to the secretary of state in the
 13 manner provided by 23-4015 for abstract of votes for state
 14 officers. The state board of canvassers shall proceed within
 15 20 days after the election at which such ballot issues are
 16 voted upon and, at the same time as the votes for state
 17 officers are canvassed, canvass the votes given for each
 18 ballot issue. The secretary of state, as secretary of the
 19 board of state canvassers, shall prepare and file in his
 20 office a statement of the canvass giving the number and
 21 title of each issue, the whole number of votes cast in the
 22 state for and against each ballot issue, and the effective
 23 date of each ballot issue approved by a majority of those
 24 voting on the issue. The secretary of state shall transmit a
 25 certified copy of the statement of the canvass to the

1 governor.

2 (2) The secretary of state shall send a certified copy
 3 of all ballot issues which have been approved by a majority
 4 of those voting on the issue and a copy of the statement of
 5 the canvass to the executive director of the legislative
 6 council at the same time he transmits a certified copy of
 7 the statement of the canvass to the governor.

8 Section 23. There is a new R.C.M. section numbered
 9 37-137 that reads as follows:

10 37-137. Effective date of initiative and referendum
 11 issues. (1) Unless the petition placing an initiative issue
 12 on the ballot states otherwise, an initiative issue approved
 13 by the people is effective on July 1 following approval.

14 (2) Unless the legislature provides otherwise, a
 15 constitutional amendment proposed by the legislature and
 16 approved by the people is effective on July 1 following
 17 approval.

18 (3) Unless specifically provided by the legislature in
 19 an act referred by it to the people or until suspended by a
 20 petition signed by at least 15% of the qualified electors in
 21 a majority of the legislative representative districts, an
 22 act referred to the people is in effect as provided by law
 23 until it is approved or rejected at the election. An act
 24 that is rejected is repealed effective the date the result
 25 of the canvass is filed by the secretary of state under

1 37-136. An act referred to the people that was in effect at
 2 the time of the election and is approved by the people
 3 remains in effect. An act that was suspended by a petition
 4 and is approved by the people is effective the date the
 5 result of the canvass is filed by the secretary of state
 6 under 37-136. An act referred by the legislature that
 7 contains an effective date following the election becomes
 8 effective on that date if approved by the people. An act
 9 that provides no effective date and whose substantive
 10 provisions were delayed by the legislature pending approval
 11 at an election and that is approved is effective July 1
 12 following the election.

13 Section 24. There is a new R.C.M. section numbered
 14 37-138 that reads as follows:

15 37-138. Violations -- penalties. A person who
 16 knowingly makes a false entry upon a petition or affidavit
 17 required by this chapter or who knowingly signs a petition

 12 published ten (10) days or more prior to the date when
 13 registration will be closed unless the act providing for
 14 submission of the question fixes a different time for
 15 closing registration.

16 (2) If the question is to be submitted at a general
 17 biennial election, notice and the closing of registration

 25 of the date by which such appointments must be filed in his

1 office.

2 (3) The appointee of the president of the senate is

 9 to receive funds for the preparation of arguments and
 10 expenses of members not to exceed \$150 for a three-member
 11 committee and \$250 for a five-member committee. Itemized
 12 claims for actual expenses incurred, approved by a majority
 13 of the committee, shall be submitted to the secretary of

 21 form, with the secretary of state no later than 30 days
 22 following the date by which the appointment of the committee
 23 was required to be filed with the secretary of state. In no
 24 case, however, may an argument be submitted for filing later
 25 than 70 days before the election at which the issue will be

17 Discussion in the rebuttal argument must be confined to the

19 rebuttal argument shall be approved and signed by a majority
20 of the committee responsible for its preparation. Separate

6 counsels, promotes, or advocates hatred, abuse, violence, or
7 hostility toward, or that tends to cast ridicule or shame
8 upon, a group of persons by reason of race, color, religion,
9 or sex; or any matter not allowed to be sent through the
10 mail. Such arguments may not be filed or printed in the
11 voter information pamphlet.

12 (2) Nothing in this act relieves an author of any
13 argument from civil or criminal responsibility for
14 statements contained in an argument printed in the voter
15 information pamphlet.

16 Section 20. There is a new R.C.M. section numbered
17 37-134 that reads as follows:

24 requisition shall include a delivery list providing for
25 shipment of the required number of pamphlets to each county

1 and to the secretary of state.

2 (2) The secretary of state shall estimate the number
3 of copies necessary to furnish one copy to every voter in
4 each county and provide for an extra supply of the pamphlets
5 in his office in determining the number of voter pamphlets
6 to be ordered in the requisition.

7 (3) The department of administration shall call for
8 bids and contract with the lowest bidder for the printing
9 and delivery of the voter information pamphlet. The contract
10 shall require completion of printing and shipment, as
11 specified on the delivery list, of the voter information
12 pamphlets by not later than 30 days before the election at
13 which the ballot issues will be voted on by the people.

14 (4) The county official responsible for voter
15 registration in each county shall mail one copy of the voter
16 information pamphlet to each registered voter of the county
17 no later than 2 weeks after the pamphlets are received from
18 the printer.

19 (5) Ten copies of the voter information pamphlet shall
20 be available at each precinct for use by any voter wishing
21 to read the explanatory information and complete text before
22 voting on the ballot issues.

23 Section 21. There is a new R.C.M. section numbered
24 37-135 that reads as follows:

25 37-135. Secretary of state to certify ballot form. (1)

1 The secretary of state shall furnish to the official of each
2 county responsible for preparation and printing of the
3 ballots, at the same time as he certifies the names of the
4 persons who are candidates for offices to be filled at the
5 election, a certified copy of the form in which each ballot
6 issue to be voted on by the people at that election is to
7 appear on the ballot. Unless otherwise provided in the
8 legislative act or petition placing the issue on the ballot,
9 the secretary of state shall list for each issue the number,
10 the method of placement on the ballot, the title, and the
11 statements of the implication of a vote for or against the
12 issue that are to be placed beside the diagram for marking
13 the ballot. The secretary of state shall use for each ballot
14 issue the title of the legislative act, legislative
15 constitutional proposal, or ballot issue proposed by any
16 type of initiative petition unless that title exceeds 100
17 words. A title of 100 words or less for the ballot shall be
18 provided by the legislature or the organization circulating
19 the petition if the official title exceeds 100 words.
20 Following the number of the ballot issue, the secretary of
21 state shall include one of the following statements to
22 identify why the issue has been placed on the ballot:

23 (a) an act referred by the legislature;

24 (b) an amendment to the constitution proposed by the
25 legislature;

1 (c) an act of the legislature referred by referendum
2 petition; or

3 (d) a law or constitutional amendment proposed by
4 initiative petition.

5 (2) Each of the county officials responsible for the
6 preparation and printing of the ballots shall print the
7 ballot issues on the official ballot in the form and order
8 in which the issues have been certified by the secretary of
9 state. All ballot issues shall be placed on the official
10 ballot prescribed by 23-3506, 23-3804, or 23-3904 unless
11 specific written approval by the secretary of state for
12 placing the ballot issues on a separate ballot is received
13 by the official responsible for printing the ballot. The
14 secretary of state may issue such approval only when the
15 number of issues to be voted on at an election makes it
16 impossible to print the entire ballot, including the ballot
17 issues, on the official ballot as prescribed by 23-3506,
18 23-3804, or 23-3904.

19 Section 22. There is a new R.C.M. section numbered
20 37-136 that reads as follows:

21 37-136. Determination of result of election. (1) The
22 votes on ballot issues shall be counted, canvassed, and
23 returned by the regular boards of judges, clerks, and
24 officers as votes for candidates are counted, canvassed, and
25 returned. The abstract of votes on ballot issues shall be

1 prepared and returned to the secretary of state in the
2 manner provided by 23-4015 for abstract of votes for state
3 officers. The state board of canvassers shall proceed within
4 20 days after the election at which such ballot issues are
5 voted upon and, at the same time as the votes for state
6 officers are canvassed, canvass the votes given for each
7 ballot issue. The secretary of state, as secretary of the
8 board of state canvassers, shall prepare and file in his
9 office a statement of the canvass giving the number and
10 title of each issue, the whole number of votes cast in the
11 state for and against each ballot issue, and the effective
12 date of each ballot issue approved by a majority of those
13 voting on the issue. The secretary of state shall transmit a
14 certified copy of the statement of the canvass to the
15 governor.

16 (2) The secretary of state shall send a certified copy
17 of all ballot issues which have been approved by a majority
18 of those voting on the issue and a copy of the statement of
19 the canvass to the executive director of the legislative
20 council at the same time he transmits a certified copy of
21 the statement of the canvass to the governor.

22 Section 23. There is a new R.C.M. section numbered
23 37-137 that reads as follows:

24 37-137. Effective date of initiative and referendum
25 issues. (1) Unless the petition placing an initiative issue

1 on the ballot states otherwise, an initiative issue approved
2 by the people is effective on July 1 following approval.

3 (2) Unless the legislature provides otherwise, a
4 constitutional amendment proposed by the legislature and
5 approved by the people is effective on July 1 following
6 approval.

7 (3) Unless specifically provided by the legislature in
8 an act referred by it to the people or until suspended by a
9 petition signed by at least 15% of the qualified electors in
10 a majority of the legislative representative districts, an
11 act referred to the people is in effect as provided by law
12 until it is approved or rejected at the election. An act
13 that is rejected is repealed effective the date the result
14 of the canvass is filed by the secretary of state under
15 37-136. An act referred to the people that was in effect at
16 the time of the election and is approved by the people
17 remains in effect. An act that was suspended by a petition
18 and is approved by the people is effective the date the
19 result of the canvass is filed by the secretary of state
20 under 37-136. An act referred by the legislature that
21 contains an effective date following the election becomes
22 effective on that date if approved by the people. An act
23 that provides no effective date and whose substantive
24 provisions were delayed by the legislature pending approval
25 at an election and that is approved is effective July 1

1 following the election.

2 Section 24. There is a new R.C.M. section numbered
3 37-138 that reads as follows:

22 proposed by the legislature and a copy of the form in which
23 the issue will appear on the ballot to the attorney general
24 no later than 6 months before the election at which the
25 issue will be voted on by the people.

1 (3) Within 10 days after receiving a copy of a ballot
 2 issue that will be voted on by the people, the attorney
 3 general shall return to the secretary of state a statement
 4 not exceeding 100 words in ordinary plain language
 5 explaining the general purpose of the issue submitted. The

 12 explaining the purposes of the issue, the attorney general
 13 shall notify the secretary of state of his approval or

 21 ~~form--for--any--issues~~

 23 against a ballot issue have been provided by the legislative
 24 act or petition placing the issue on the ballot, the
 25 secretary of state shall include a copy of the statements

1 with the copy of the issue submitted to the attorney
 2 general. When the attorney general returns his statement of
 3 the general purpose of the issue to the secretary of state,
 4 he shall include a notice that he has reviewed the
 5 statements of the implication of a vote for or against the
 6 issue and may include comments as to whether the statements
 7 clearly explain the implications of a vote. If statements of
 8 the implication of a vote for or against a measure have not
 9 been provided, the attorney general shall provide the
 10 statements with his statement of the general purpose of the
 11 issue. Statements of the implication of a vote for or
 12 against a ballot issue shall be no more than 25 words and
 13 shall be in simple language clearly explaining the meaning
 14 of a vote for the issue or a vote against the issue. Such
 15 statements shall be placed beside the diagram provided for
 16 the marking of the ballot similar to the following example:

 25 legislature. The secretary of state shall file an official

1 copy of his statement with the attorney general's statement
2 on the issue in the official records of his office.

3 Section 14. There is a new R.C.M. section numbered
4 37-128 that reads as follows:

5 37-128. Voter information pamphlet. (1) (a) The
6 secretary of state shall prepare for printing a voter

21 presented in the same order.

22 (2) The arguments advocating approval or rejection of
23 the ballot issue and rebuttal arguments shall be submitted
24 to the secretary of state by committees appointed as
25 provided in this subsection:

1 (a) The committee advocating approval of an act
2 referred to the people or a constitutional amendment
3 proposed by the legislature or an act referred to the people

11 issue referred to the people or proposed by the legislature
12 shall be composed of one senator appointed by the president
13 of the senate; one representative appointed by the speaker
14 of the house of representatives; and one member who need not
15 be a member of the legislature, appointed by the first two
16 members. Whenever possible, the members shall be known to
17 have opposed the issue.

18 (c) A three-member committee advocating approval of a
19 ballot issue proposed by any type of initiative petition or
20 advocating rejection of any ballot issue that is a
21 legislative act referred to the people by referendum
22 petition shall be appointed by the chairman of the
23 organization that was first on record with the commissioner
24 of campaign finances and practices as a proponent of the
25 petition.

1 (d) A committee advocating rejection of a ballot issue
 2 proposed by any type of initiative petition shall be
 3 composed of five members. The governor, attorney general,
 4 president of the senate, and speaker of the house of
 5 representatives shall each appoint one member, and the fifth
 6 member shall be appointed by the first four members. All

 16 people.

17 (2) Appointments to committees advocating approval or
 18 rejection of a ballot measure referred to the people by
 19 referendum petition or proposed by any type of initiative
 20 petition shall be filed with the secretary of state no later
 21 than 10 days after the measure is certified to the governor.
 22 At the same time the certification of the sufficiency of a
 23 petition is made to the governor, the secretary of state
 24 shall notify all persons responsible for appointing members
 25 of committees advocating approval or rejection of the issue

1 of the date by which such appointments must be filed in his
 2 office.

3 (3) The appointee of the president of the senate is
 4 the chairman of any committee to which that officer makes an
 5 appointment. The appointing authority for other committees
 6 shall name a chairman at the time the appointments are made.

7 Section 16. There is a new R.C.M. section numbered
 8 37-130 that reads as follows:

9 37-130. Expenses allowed. Each committee is entitled
 10 to receive funds for the preparation of arguments and
 11 expenses of members not to exceed \$150 for a three-member
 12 committee and \$250 for a five-member committee. Itemized
 13 claims for actual expenses incurred, approved by a majority
 14 of the committee, shall be submitted to the secretary of
 15 state for payment from funds appropriated for that purpose.

16 Section 17. There is a new R.C.M. section numbered
 17 37-131 that reads as follows:

18 37-131. Limitation on length of argument advocating
 19 approval or rejection -- time of filing. An argument
 20 advocating approval or rejection of a ballot issue is
 21 limited to 500 words and shall be filed, in typewritten
 22 form, with the secretary of state no later than 30 days
 23 following the date by which the appointment of the committee
 24 was required to be filed with the secretary of state. In no
 25 case, however, may an argument be submitted for filing later

1 than 70 days before the election at which the issue will be
 2 voted on by the people. A majority of the committee
 3 responsible for preparation must approve and sign each
 4 argument filed. Separate signed letters of approval of an
 5 argument may be filed with the secretary of state by members
 6 of a committee if necessary to meet the filing deadline.

7 Section 18. There is a new R.C.M. section numbered
 8 37-132 that reads as follows:

9 37-132. Rebuttal arguments. The secretary of state
 10 shall provide copies of the arguments advocating approval or
 11 rejection of a ballot issue to the members of the adversary
 12 committee no later than 1 day following the filing of both
 13 the approval and rejection arguments for the issue in his
 14 office. The committees may prepare rebuttal arguments no
 15 longer than 250 words that shall be filed, in typewritten
 16 form, with the secretary of state no later than 10 days
 17 after the deadline for filing the original arguments.
 18 Discussion in the rebuttal argument must be confined to the
 19 subject matter raised in the argument being rebutted. The
 20 rebuttal argument shall be approved and signed by a majority
 21 of the committee responsible for its preparation. Separate
 22 signed letters of approval may be submitted in the same
 23 manner as for the original arguments.

24 Section 19. There is a new R.C.M. section numbered
 25 37-133 that reads as follows:

1 37-133. Rejection of improper arguments --
 2 responsibility of author for content. (1) The secretary of
 3 state shall reject, with the approval of the attorney
 4 general, an argument or other matter held to contain
 5 obscene, vulgar, profane, scandalous, libelous, or
 6 defamatory matter; any language that in any way incites,
 7 counsels, promotes, or advocates hatred, abuse, violence, or
 8 hostility toward, or that tends to cast ridicule or shame
 9 upon, a group of persons by reason of race, color, religion,
 10 or sex; or any matter not allowed to be sent through the
 11 mail. Such arguments may not be filed or printed in the
 12 voter information pamphlet.

13 (2) Nothing in this act relieves an author of any
 14 argument from civil or criminal responsibility for
 15 statements contained in an argument printed in the voter
 16 information pamphlet.

17 Section 20. There is a new R.C.M. section numbered
 18 37-134 that reads as follows:

19 37-134. Printing and distribution of voter information
 20 pamphlet. (1) The secretary of state shall arrange with the
 21 department of administration by requisition for the printing
 22 and delivery of a voter information pamphlet for all ballot
 23 issues to be submitted to the people at least 90 days before
 24 the election at which they will be submitted. The
 25 requisition shall include a delivery list providing for

1 shipment of the required number of pamphlets to each county
2 and to the secretary of state.

3 (2) The secretary of state shall estimate the number
4 of copies necessary to furnish one copy to every voter in
5 each county and provide for an extra supply of the pamphlets
6 in his office in determining the number of voter pamphlets
7 to be ordered in the requisition.

8 (3) The department of administration shall call for
9 bids and contract with the lowest bidder for the printing
10 and delivery of the voter information pamphlet. The contract
11 shall require completion of printing and shipment, as
12 specified on the delivery list, of the voter information
13 pamphlets by not later than 30 days before the election at
14 which the ballot issues will be voted on by the people.

15 (4) The county official responsible for voter
16 registration in each county shall mail one copy of the voter
17 information pamphlet to each registered voter of the county
18 no later than 2 weeks after the pamphlets are received from
19 the printer.

20 (5) Ten copies of the voter information pamphlet shall
21 be available at each precinct for use by any voter wishing
22 to read the explanatory information and complete text before
23 voting on the ballot issues.

24 Section 21. There is a new R.C.M. section numbered
25 37-135 that reads as follows:

1 37-135. Secretary of state to certify ballot form. (1)
2 The secretary of state shall furnish to the official of each
3 county responsible for preparation and printing of the
4 ballots, at the same time as he certifies the names of the
5 persons who are candidates for offices to be filled at the
6 election, a certified copy of the form in which each ballot
7 issue to be voted on by the people at that election is to
8 appear on the ballot. Unless otherwise provided in the
9 legislative act or petition placing the issue on the ballot,
10 the secretary of state shall list for each issue the number,
11 the method of placement on the ballot, the title, and the
12 statements of the implication of a vote for or against the
13 issue that are to be placed beside the diagram for marking
14 the ballot. The secretary of state shall use for each ballot
15 issue the title of the legislative act, legislative
16 constitutional proposal, or ballot issue proposed by any
17 type of initiative petition unless that title exceeds 100
18 words. A title of 100 words or less for the ballot shall be
19 provided by the legislature or the organization circulating
20 the petition if the official title exceeds 100 words.
21 Following the number of the ballot issue, the secretary of
22 state shall include one of the following statements to
23 identify why the issue has been placed on the ballot:

- 24 (a) an act referred by the legislature;
25 (b) an amendment to the constitution proposed by the

1 legislature;
 2 (c) an act of the legislature referred by referendum
 3 petition; or

4 (d) a law or constitutional amendment proposed by
 5 initiative petition.

6 (2) Each of the county officials responsible for the
 7 preparation and printing of the ballots shall print the
 8 ballot issues on the official ballot in the form and order
 9 in which the issues have been certified by the secretary of
 10 state. All ballot issues shall be placed on the official
 11 ballot prescribed by 23-3506, 23-3804, or 23-3904 unless
 12 specific written approval by the secretary of state for
 13 placing the ballot issues on a separate ballot is received
 14 by the official responsible for printing the ballot. The
 15 secretary of state may issue such approval only when the
 16 number of issues to be voted on at an election makes it
 17 impossible to print the entire ballot, including the ballot
 18 issues, on the official ballot as prescribed by 23-3506,
 19 23-3804, or 23-3904.

20 Section 22. There is a new R.C.M. section numbered
 21 37-136 that reads as follows:

22 37-136. Determination of result of election. (1) The
 23 votes on ballot issues shall be counted, canvassed, and
 24 returned by the regular boards of judges, clerks, and
 25 officers as votes for candidates are counted, canvassed, and

1 returned. The abstract of votes on ballot issues shall be
 2 prepared and returned to the secretary of state in the
 3 manner provided by 23-4015 for abstract of votes for state
 4 officers. The state board of canvassers shall proceed within
 5 20 days after the election at which such ballot issues are
 6 voted upon and, at the same time as the votes for state
 7 officers are canvassed, canvass the votes given for each
 8 ballot issue. The secretary of state, as secretary of the
 9 board of state canvassers, shall prepare and file in his
 10 office a statement of the canvass giving the number and
 11 title of each issue, the whole number of votes cast in the
 12 state for and against each ballot issue, and the effective
 13 date of each ballot issue approved by a majority of those
 14 voting on the issue. The secretary of state shall transmit a
 15 certified copy of the statement of the canvass to the
 16 governor.

17 (2) The secretary of state shall send a certified copy
 18 of all ballot issues which have been approved by a majority
 19 of those voting on the issue and a copy of the statement of
 20 the canvass to the executive director of the legislative
 21 council at the same time he transmits a certified copy of
 22 the statement of the canvass to the governor.

23 Section 23. There is a new R.C.M. section numbered
 24 37-137 that reads as follows:

25 37-137. Effective date of initiative and referendum

1 issues. (1) Unless the petition placing an initiative issue
2 on the ballot states otherwise, an initiative issue approved
3 by the people is effective on July 1 following approval.

4 (2) Unless the legislature provides otherwise, a
5 constitutional amendment proposed by the legislature and
6 approved by the people is effective on July 1 following
7 approval.

8 (3) Unless specifically provided by the legislature in
9 an act referred by it to the people or until suspended by a
10 petition signed by at least 15% of the qualified electors in
11 a majority of the legislative representative districts, an
12 act referred to the people is in effect as provided by law
13 until it is approved or rejected at the election. An act
14 that is rejected is repealed effective the date the result
15 of the canvass is filed by the secretary of state under
16 37-136. An act referred to the people that was in effect at
17 the time of the election and is approved by the people
18 remains in effect. An act that was suspended by a petition
19 and is approved by the people is effective the date the
20 result of the canvass is filed by the secretary of state
21 under 37-136. An act referred by the legislature that
22 contains an effective date following the election becomes
23 effective on that date if approved by the people. An act
24 that provides no effective date and whose substantive
25 provisions were delayed by the legislature pending approval

1 at an election and that is approved is effective July 1
2 following the election.

3 Section 24. There is a new R.C.M. section numbered
4 37-138 that reads as follows:

5 37-138. Violations -- penalties. A person who
6 knowingly makes a false entry upon a petition or affidavit
7 required by this chapter or who knowingly signs a petition
8 to place the same issue on the ballot at the same election
9 more than once is guilty of unsworn falsification or
10 tampering with public records or information, as
11 appropriate, and is punishable as provided in 94-7-204 or
12 94-7-209, as applicable.

13 Section 25. Section 23-2704, R.C.M. 1947, is amended
14 to read as follows:

15 "23-2704. Notice and closing of registration for
16 elections on incurring of state indebtedness other than for
17 refunding or levy of tax. (1) If the question of state
18 indebtedness, issuance of bonds or debentures other than for
19 refunding, or the levy of a tax for state purposes, is
20 submitted at an election other than a general biennial
21 election, the registrar of each county shall publish in the
22 official county newspaper, a notice signed by him, stating
23 that registration will close at noon on the fortieth (40th)
24 day prior to the date of the election unless the act
25 providing for the submission of the question fixes a

1 different time for the giving of notice. The notice shall be
 2 published ten (10) days or more prior to the date when
 3 registration will be closed unless the act providing for
 4 submission of the question fixes a different time for
 5 closing registration.

6 (2) If the question is to be submitted at a general
 7 biennial election, notice and the closing of registration
 8 shall be governed by the laws applying to general biennial

5 Section 27. Section 89-2330.3, R.C.M. 1947, is amended
 6 to read as follows:

 3 state shall reject, with the approval of the attorney
 4 general, an argument or other matter held to contain
 5 obscene, vulgar, profane, scandalous, libelous, or
 6 defamatory matter; any language that in any way incites,
 7 counsels, promotes, or advocates hatred, abuse, violence, or
 8 hostility toward, or that tends to cast ridicule or shame
 9 upon, a group of persons by reason of race, color, religion,
 10 or sex; or any matter not allowed to be sent through the
 11 mail. Such arguments may not be filed or printed in the
 12 voter information pamphlet.

13 (2) Nothing in this act relieves an author of any
 14 argument from civil or criminal responsibility for
 15 statements contained in an argument printed in the voter
 16 information pamphlet.

17 Section 20. There is a new R.C.M. section numbered
 18 37-134 that reads as follows:

19 37-134. Printing and distribution of voter information
 20 pamphlet. (1) The secretary of state shall arrange with the
 21 department of administration by requisition for the printing
 22 and delivery of a voter information pamphlet for all ballot
 23 issues to be submitted to the people at least 90 days before
 24 the election at which they will be submitted. The
 25 requisition shall include a delivery list providing for

1 shipment of the required number of pamphlets to each county
2 and to the secretary of state.

3 (2) The secretary of state shall estimate the number
4 of copies necessary to furnish one copy to every voter in
5 each county and provide for an extra supply of the pamphlets
6 in his office in determining the number of voter pamphlets
7 to be ordered in the requisition.

8 (3) The department of administration shall call for
9 bids and contract with the lowest bidder for the printing
10 and delivery of the voter information pamphlet. The contract
11 shall require completion of printing and shipment, as
12 specified on the delivery list, of the voter information
13 pamphlets by not later than 30 days before the election at
14 which the ballot issues will be voted on by the people.

15 (4) The county official responsible for voter
16 registration in each county shall mail one copy of the voter
17 information pamphlet to each registered voter of the county
18 no later than 2 weeks after the pamphlets are received from
19 the printer.

20 (5) Ten copies of the voter information pamphlet shall
21 be available at each precinct for use by any voter wishing
22 to read the explanatory information and complete text before
23 voting on the ballot issues.

24 Section 21. There is a new R.C.M. section numbered
25 37-135 that reads as follows:

1 37-135. Secretary of state to certify ballot form. (1)
2 The secretary of state shall furnish to the official of each
3 county responsible for preparation and printing of the
4 ballots, at the same time as he certifies the names of the
5 persons who are candidates for offices to be filled at the
6 election, a certified copy of the form in which each ballot
7 issue to be voted on by the people at that election is to
8 appear on the ballot. Unless otherwise provided in the
9 legislative act or petition placing the issue on the ballot,
10 the secretary of state shall list for each issue the number,
11 the method of placement on the ballot, the title, and the
12 statements of the implication of a vote for or against the
13 issue that are to be placed beside the diagram for marking
14 the ballot. The secretary of state shall use for each ballot
15 issue the title of the legislative act, legislative
16 constitutional proposal, or ballot issue proposed by any
17 type of initiative petition unless that title exceeds 100
18 words. A title of 100 words or less for the ballot shall be
19 provided by the legislature or the organization circulating
20 the petition if the official title exceeds 100 words.
21 Following the number of the ballot issue, the secretary of
22 state shall include one of the following statements to

6 (2) Each of the county officials responsible for the
 7 preparation and printing of the ballots shall print the
 8 ballot issues on the official ballot in the form and order

 10 state. All ballot issues shall be placed on the official
 11 ballot prescribed by 23-3506, 23-3804, or 23-3904 unless
 12 specific written approval by the secretary of state for
 13 placing the ballot issues on a separate ballot is received
 14 by the official responsible for printing the ballot. The
 15 secretary of state may issue such approval only when the
 16 number of issues to be voted on at an election makes it
 17 impossible to print the entire ballot, including the ballot
 18 issues, on the official ballot as prescribed by 23-3506,
 19 23-3804, or 23-3904.

20 Section 22. There is a new R.C.M. section numbered

 2 prepared and returned to the secretary of state in the
 3 manner provided by 23-4015 for abstract of votes for state
 4 officers. The state board of canvassers shall proceed within
 5 20 days after the election at which such ballot issues are

 8 ballot issue. The secretary of state, as secretary of the
 9 board of state canvassers, shall prepare and file in his
 10 office a statement of the canvass giving the number and
 11 title of each issue, the whole number of votes cast in the
 12 state for and against each ballot issue, and the effective
 13 date of each ballot issue approved by a majority of those
 14 voting on the issue. The secretary of state shall transmit a
 15 certified copy of the statement of the canvass to the
 16 governor.

17 (2) The secretary of state shall send a certified copy
 18 of all ballot issues which have been approved by a majority
 19 of those voting on the issue and a copy of the statement of
 20 the canvass to the executive director of the legislative
 21 council at the same time he transmits a certified copy of
 22 the statement of the canvass to the governor.

2 on the ballot states otherwise, an initiative issue approved
3 by the people is effective on July 1 following approval.

5 constitutional amendment proposed by the legislature and
6 approved by the people is effective on July 1 following
7 approval.

10 petition signed by at least 15% of the qualified electors in
11 a majority of the legislative representative districts, an
12 act referred to the people is in effect as provided by law
13 until it is approved or rejected at the election. An act
14 that is rejected is repealed effective the date the result
15 of the canvass is filed by the secretary of state under
16 37-136. An act referred to the people that was in effect at
17 the time of the election and is approved by the people
18 remains in effect. An act that was suspended by a petition
19 and is approved by the people is effective the date the
20 result of the canvass is filed by the secretary of state
21 under 37-136. An act referred by the legislature that
22 contains an effective date following the election becomes
23 effective on that date if approved by the people. An act
24 that provides no effective date and whose substantive
25 provisions were delayed by the legislature pending approval

1 at an election and that is approved is effective July 1
2 following the election.
