Request No. 454-79

FISCAL NOTE

Form BD-15

In compliance with a written request received March 9, 1979, there is hereby submitted a Fiscal Note for House Bill 438 pursuant to Chapter 53, Laws of Montana, 1965 - Thirty-Ninth Legislative Assembly. Background information used in developing this Fiscal Note is available from the Office of Budget and Program Planning, to members of the Legislature upon request.

DESCRIPTION OF PROPOSED LEGISLATION:

An act to require an agency to prepare an estimate of the economic impact of proposed rulemaking upon request of the administrative code committee.

FISCAL IMPACT:

An estimate of the fiscal impact of the proposed legislation cannot be provided since it is not known how many statements of estimated economic impact will be requested by the Administrative Code Committee. Depending on the number of statements required and the additional information and participation required by the Committee of state agency personnel, the additional costs could range from minimal considering each agency individually to significant.

Fiscal Note 311-79 attached to House Bill 654 addresses the cost of providing economic and fiscal impact information on all rules prior to adoption, amendment, or repeal.
