1 *House* BILL NO. *653*  
 2 INTRODUCED BY *Richard Roth, Stewart, Kayla Schultz*  
 3 *Baron*

4 A BILL FOR AN ACT ENTITLED: "AN ACT ESTABLISHING A  
 5 HEMOPHILIA TREATMENT PROGRAM; CREATING A HEMOPHILIA ADVISORY  
 6 COMMITTEE; AND APPROPRIATING FUNDS THEREFOR."

7  
 8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

9 Section 1. Purpose. It is the intent of the  
 10 legislature to establish a program for the care and  
 11 treatment of persons who require blood and blood products  
 12 for hemophilia and related diseases, including factor VIII,  
 13 factor IX, and Von Willebrand's, but who are unable to pay  
 14 for the services on a continuing basis.

15 Section 2. Definitions. As used in [this act,] the  
 16 following definitions apply:

- 17 (1) "Committee" means the hemophilia advisory  
 18 committee established in [section 7];
- 19 (2) "Department" means the department of health and  
 20 environmental sciences;
- 21 (3) "Director" means the director of the department of  
 22 health and environmental sciences;
- 23 (4) "Hemophilia" means a bleeding disorder resulting  
 24 from a genetically determined deficiency factor in the blood  
 25 or a hereditary abnormal or deficient plasma procoagulant.

1 Section 3. Establishment of program. A hemophilia  
 2 treatment program is established in this state to be  
 3 administered by the department of health and environmental  
 4 sciences. The treatment program shall assist those persons  
 5 who require continuing treatment with blood and blood  
 6 products and the administration of blood and blood products  
 7 to avoid crippling, hospitalization, or other effects  
 8 associated with hemophilia, but who are unable to pay for  
 9 the entire cost of such services on a continuing basis.

10 Section 4. Committee meetings -- report --  
 11 reimbursement. (1) The committee will meet on call of the  
 12 director not less than twice a year. The director shall give  
 13 a semiannual report to the committee detailing the plans and  
 14 activities of the department concerning the hemophilia  
 15 treatment program.

16 (2) Members of the committee shall receive expenses  
 17 for the performance of committee duties as provided for in  
 18 2-18-501 through 2-18-503.

19 Section 5. Duties of department. The duties of the  
 20 department, with the advice of the committee, include:

- 21 (1) developing standards for determining eligibility  
 22 for the care and treatment of persons suffering from  
 23 hemophilia and related diseases;
- 24 (2) assisting in development and expansion of programs  
 25 for the care and treatment of persons suffering from

1 hemophilia and related diseases;

2 (3) extending financial assistance to persons of any  
3 age who suffer from hemophilia or related diseases for the  
4 purpose of obtaining blood and blood products and other  
5 efficacious agents that may be used at home or in a  
6 hospital, medical or dental facility, including the  
7 administration of such blood and blood products;

8 (4) instituting and carrying on community educational  
9 programs for the detection of hemophilia and for the  
10 counseling of individuals and families who suffer from  
11 hemophilia and related diseases;

12 (5) conducting educational programs for physicians,  
13 dentists, hospitals, county health departments, and the  
14 public concerning the methods of cure and treatment for  
15 persons suffering from hemophilia and related diseases.

16 Section 6. Eligibility determination. For the purpose  
17 of determining eligibility for financial assistance, the  
18 department shall use the criteria established for crippled  
19 children under Title V of the Social Security Act.

20 Section 7. Hemophilia advisory committee. (1) There is  
21 a hemophilia advisory committee for the purpose of advising  
22 and consulting with the director in the administration of  
23 [sections 1 through 6].

24 (2) The committee consists of the director as ex  
25 officio chairman and 12 members appointed by the director

1 from the following constituency groups, none of which shall  
2 be represented on the committee by more than four members:

- 3 (a) voluntary agencies interested in hemophilia;
- 4 (b) medical specialists in hemophilia patient care;
- 5 (c) consumers of hemophilia treatment;
- 6 (d) the general public.

7 (3) Each member shall serve a term of 4 years, except  
8 that initial terms are as follows:

- 9 (a) two members shall be appointed for 1 year.
- 10 (b) four members shall be appointed for 2 years.
- 11 (c) four members shall be appointed for 3 years.
- 12 (d) two members shall be appointed for 4 years.
- 13 (4) The director shall fill any vacancy on the  
14 committee by appointing a new member from the same  
15 constituency group represented by the vacating member.

16 Section 8. Appropriation. There is appropriated from  
17 the general fund \$283,200 to the department of health and  
18 environmental sciences for the biennium ending June 30,  
19 1981, for the purpose of establishing a hemophilia treatment  
20 program.

## STATE OF MONTANA

REQUEST NO. 416-79

## FISCAL NOTE

Form BD-15

In compliance with a written request received February 22, 19 79, there is hereby submitted a Fiscal Note for House Bill 653 pursuant to Chapter 53, Laws of Montana, 1965 - Thirty-Ninth Legislative Assembly.

Background information used in developing this Fiscal Note is available from the Office of Budget and Program Planning, to members of the Legislature upon request.

## DESCRIPTION OF PROPOSED LEGISLATION:

A bill for an act entitled: "An act establishing a hemophilia treatment program; creating a hemophilia advisory committee; and appropriating funds therefor."

## ASSUMPTIONS:

- 1) There are 50 such cases in Montana, of which approximately 20 would involve a patient under the age of 21.
- 2) The hemophiliac usually experiences one to two bleeds a week.
- 3) Physical therapy is also necessary as often as possible, however, the usual practice is two times per week.
- 4) Medical appliances such as braces, crutches, wheel chairs, etc., are also needed for this type of medical problem.
- 5) Information available indicates that the usual cost per hemophiliac is \$5,664.
- 6) Due to the limitations of the dollar amount shown in section 8 of the proposed legislation, only 50 percent of the cases will be served on an annual basis.

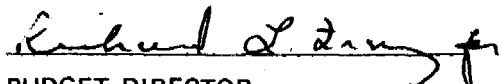

## FISCAL IMPACT:

	<u>1980</u>	<u>1981</u>
Factor and Medical Services	\$134,400	\$142,200
Board Cost	<u>3,200</u>	<u>3,400</u>
Totals	<u>\$137,600</u>	<u>\$145,600</u>

NOTE: Funds are appropriated from the general fund in the above amounts by the proposed legislation.

## LOCAL IMPACT:

Services will be offered and paid for in the local communities. Basically, the benefit will be a reduction in medical costs to the families involved.
