STATE OF MONTANA

REQUEST NO. 38-81

FISCAL NOTE

Form BD-15

In compliance with a written request received 1980, there is hereby submitted a Fiscal Note for H.B. 40 pursuant to Title 5, Chapter 4, Part 2 of the Montana Code Annotated (MCA).

Background information used in developing this Fiscal Note is available from the Office of Budget and Program Planning, to members of the Legislature upon request.

DESCRIPTION OF PROPOSED LEGISLATION

House Bill No. 40 proposes a constitutional amendment that would authorize the Administrative Code Committee to poll the legislators to determine whether an administrative rule ought to be suspended. Should a majority of the legislators favor suspension, the rule is suspended until the 30th day of the next regular session of the legislature.

Fiscal Impact

There would be no impact this biennium. Following approval by the people, each poll of the legislators would cost about \$1,050 for postage adjusted for inflation. The other costs of the measure would probably be absorbed in the operating expenses of the Code Committee.
