4 A BILL FOR AN ACT ENTITLED: "AN ACT TO LIMIT TAXABLE VALUE  
5 ON RESIDENTIAL PROPERTY; AMENDING SECTION 15-8-111, MCA."

6  
7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

8 NEW SECTION. Section 1. Limit on taxable value --  
9 appeal. (1) When a county tax appeal board finds, upon  
10 appeal, that the taxable value on a residence exceeds 5% of  
11 the current year true market value, it shall require the  
12 department of revenue to reduce the taxable value on the  
13 residence to 5% of the current year true market value.

14 (2) For the purposes of subsection (1), "current year  
15 true market value" means the market value of the residence  
16 as of the year of the appeal, based upon an actual appraisal  
17 by a qualified appraiser acceptable to the county tax appeal  
18 board.

19 (3) (a) Appeals to the state tax appeal board under  
20 the provisions of subsections (1) and (2) may be made by  
21 either party to an appeal.

22 (b) The state tax appeal board may require an  
23 additional appraisal to be made on the residence.

24 (4) The cost of all appraisals shall be the  
25 responsibility of the owner of the residence for which the

1 taxable valuation is being appealed.

2 Section 2. Section 15-8-111, MCA, is amended to read:

3 "15-8-111. Assessment -- market value standard --  
4 exceptions. (1) All taxable property must be assessed at  
5 100% of its market value except as provided in subsection  
6 (5) of this section, and in 15-7-111 through 15-7-114, and  
7 in [section 1].

8 (2) Market value is the value at which property would  
9 change hands between a willing buyer and a willing seller,  
10 neither being under any compulsion to buy or to sell and  
11 both having reasonable knowledge of relevant facts.

12 (3) The department of revenue or its agents may not  
13 adopt a lower or different standard of value from market  
14 value in making the official assessment and appraisal of the  
15 value of property in subsection (1)(a) of 15-6-131 and  
16 15-6-134 through 15-6-140. For purposes of taxation,

18 (4) The taxable value for all property in subsection  
19 (1)(a) of 15-6-131 and classes four through ten [class  
20 twenty, and class twenty-one] is the percentage of market

6 assessed at 100% of the annual gross proceeds.

7           (c) Properties in 15-6-133, under class three, are  
8 assessed at 100% of the productive capacity of the lands  
9 when valued for agricultural purposes. All lands that meet

11 lands for tax purposes.

12           (6) Land and the improvements thereon are separately  
13 assessed when any of the following conditions occur:

14           (a) ownership of the improvements is different from

STATE OF MONTANA

REQUEST NO. 267-81

FISCAL NOTE

Form BD-15

In compliance with a written request received February 3, 19 81, there is hereby submitted a Fiscal Note for House Bill 539 pursuant to Title 5, Chapter 4, Part 2 of the Montana Code Annotated (MCA).

Background information used in developing this Fiscal Note is available from the Office of Budget and Program Planning, to members of the Legislature upon request.

DESCRIPTION

An act to limit taxable value on residential property.

EFFECT ON STATE REVENUE

It is not known what the total taxable value of property used for residences is or how many residences have a taxable value in excess of 5% of market value. A taxable value in excess of 5% of market value would imply an appraised value greater than 58.5% of market. Department of Revenue sales ratio studies indicate that the appraised value of residential property is on average about 50%-55% of market value. Thus, it is conceivable that perhaps forty percent of the residences in the state would be eligible to be revalued under this proposal. It is impossible to give an estimate of what the decrease in statewide taxable value might be since the distribution of appraised values which are greater than 58.5% of market value has not been analyzed.

EFFECT ON LOCAL GOVERNMENT

The residential property tax base of local government units would be decreased. The effect might be large in some units. This would cause a proportionate shift of the tax to other real property and personal property.

TECHNICAL NOTE

It is suggested that some qualifications be set for the "qualified appraiser acceptable to the county tax appeal board".
