4 A BILL FOR AN ACT ENTITLED: "AN ACT TO CONTROL THE  
 5 IMPORTATION AND KEEPING OF ALFALFA LEAF-CUTTING BEES AND TO  
 6 PROVIDE FOR THE CERTIFICATION OF HEALTH OF ALFALFA  
 7 LEAF-CUTTING BEES IMPORTED INTO OR KEPT IN MONTANA;  
 8 PROVIDING AN IMMEDIATE EFFECTIVE DATE."

9  
 10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

11 Section 1. Short title. This [act] may be cited as the  
 12 "Alfalfa Leaf-cutting Bee Act".

13 Section 2. Definitions. As used in this [act], the  
 14 following definitions apply:

- 15 (1) "Bee" means any stage in the life cycle of a bee  
 16 of the species *Megachile rotundata* (F), commonly known as  
 17 the alfalfa leaf-cutting bee.
- 18 (2) "Certification" means the process of analyzing  
 19 bees and equipment by the department to determine whether  
 20 they meet the required health standards.
- 21 (3) "Committee" means the advisory alfalfa  
 22 leaf-cutting bee committee established in [section 4].
- 23 (4) "Department" means the department of agriculture  
 24 established in 2-15-3001.
- 25 (5) "Equipment" means grooved boards, shelters, trays,

1 incubators, cell removers, tumblers, and other apparatus  
 2 used in rearing bees.

3 (6) "Nesting materials" means equipment, laminates,  
 4 and other apparatus used in nesting bees.

5 (7) "Parasite" means an organism living in or on any  
 6 stage of the alfalfa leaf-cutting bee obtaining nutriment  
 7 from the body of the bee.

8 (8) "Pathogen" means an organism, parasitic or  
 9 otherwise, that causes disease in the alfalfa leaf-cutting  
 10 bee.

11 (9) "Person" means an individual, association,  
 12 partnership, or corporation.

13 (10) "Wild trap" means to trap bees on property not  
 14 owned by the trapper.

15 Section 3. Department responsibilities -- adoption of  
 16 rules. (1) The department is responsible for the  
 17 administration of this [act].

18 (2) The department shall by rule adopt minimum  
 19 standards for the presence of pathogens and parasites in  
 20 bees to be certified, imported, and possessed or controlled  
 21 in the state of Montana.

22 (3) The department may enter into agreements with  
 23 other governmental agencies or private associations in  
 24 carrying out the provisions of this [act].

25 (4) In performing its duties under this [act], the

1 department may:

2 (a) enter upon any public or private premises to  
3 inspect and sample bees or equipment that may be diseased or  
4 contaminated by parasites;

5 (b) quarantine any bees or equipment found to be  
6 infected or contaminated with pathogens at a level exceeding  
7 certification standards;

8 (c) order the disinfection or destruction of any bees  
9 or equipment that is infected or contaminated with parasites  
10 or pathogens and that does not meet certification standards.

11 (5) (a) Whenever the department has reasonable cause  
12 to believe a person is in possession of any diseased or  
13 parasitic bee or equipment or otherwise possesses any bee or  
14 equipment in violation of this [act] or rules adopted under  
15 [it], the department may order a quarantine for not more  
16 than 30 days of the suspected bees or equipment and may  
17 require any person in possession of such bees or equipment  
18 to hold them under specified conditions until notified  
19 otherwise in writing by the department.

20 (b) The department shall release any quarantine or  
21 order to hold bees upon a finding that the bees and  
22 equipment are disease-free and are possessed in compliance  
23 with this [act].

24 Section 4. Advisory committee created -- membership --  
25 compensation. (1) There is an advisory alfalfa leaf-cutting

1 bee committee consisting of five members appointed by the  
2 governor. The committee is attached to the department for  
3 administrative purposes only as prescribed in 2-15-121.

4 (2) The committee consists of:

5 (a) three members from the Montana alfalfa seed  
6 association;

7 (b) one member from the department; and

8 (c) one member from the cooperative extension service  
9 at Montana state university.

10 (3) A list of nominees for appointment to the  
11 committee may be submitted to the governor by the Montana  
12 alfalfa seed association, the department, and the  
13 cooperative extension service for the respective  
14 appointments from each entity.

15 (4) Appointments to the committee are for 3 years.  
16 Members may be reappointed at the discretion of the  
17 appointing authority.

18 (5) Unless he is a full-time salaried officer or  
19 employee of this state or of a political subdivision of this  
20 state, each member is entitled to be paid from the earmarked  
21 revenue fund established in [section 9] compensation of \$25  
22 for each day in which he is engaged in the transaction of  
23 the official business of the committee, together with  
24 expenses as provided for in 2-18-501 through 2-18-503.

25 Section 5. Duties of committee. The committee shall

1 advise the department with respect to any contemplated  
2 rulemaking. The committee shall meet to review the minimum  
3 standards adopted by the department at least once a year.

4 Section 6. Alfalfa leaf-cutting bees -- inspection --  
5 certification -- fees. (1) No person may import, possess, or  
6 control alfalfa leaf-cutting bees in the state of Montana  
7 unless the bees are certified annually, as provided in this  
8 section.

9 (2) To certify bees, a person must file a completed  
10 application form provided by the department together with  
11 the certification fee prescribed by the department. The  
12 applicant must provide at least the following:

13 (a) name and place of residence;

14 (b) the general location and number of bees to be  
15 registered; and

16 (c) other relevant information as may be required by  
17 department rule.

18 (3) After receipt of an application for certification  
19 a sample of the total population of bees to be certified  
20 shall be selected by the department or its agent in a manner  
21 prescribed by the department. The sample shall be inspected  
22 for pathogens and parasites. If no pathogens or parasites in  
23 excess of certification standards are found, the sample  
24 shall be reported disease-free.

25 (4) When the department has in its possession a

1 completed application form, a certification fee, and a  
2 report that the sample is disease-free, it may issue a  
3 certificate for the bees.

4 (5) The department shall specify the date by which any  
5 applicant must apply for recertification the following year.  
6 Applications for recertification received after the date  
7 specified shall be assessed a penalty equal to 10% of the  
8 applicable certification fee.

9 Section 7. Bee laboratory authorized. The department  
10 or its agent may develop and maintain a laboratory at  
11 Montana state university for the purpose of providing  
12 disease and parasite analytical services required to carry  
13 out the provisions of this [act]. The laboratory may be  
14 authorized by the department to provide services to persons  
15 possessing any bees or equipment on a fee for service basis.

16 Section 8. Restrictions on importing bees and  
17 equipment. (1) No bee may be imported into the state of  
18 Montana except under the provisions of this section.

19 (2) Prior to the importation of any bee, the importer  
20 must file a completed application form as required in  
21 subsection (2) of [section 6] and arrange an approximate  
22 date and time for inspection.

23 (3) Every imported bee must be shipped directly to the  
24 certification laboratory to be examined for infestation by  
25 parasites or pathogens. Prior to certification, each bee and

1 associated transport equipment shall be quarantined at the  
2 laboratory.

3 (4) No bee may be imported except in loose cells or as  
4 adults. No bee may be imported in a drilled board, soda  
5 straw, or other equipment that prevents adequate inspection  
6 of the bee.

7 (5) A representative sample of the population of bees  
8 imported shall be inspected as the basis for certification.

9 (6) No person may import used equipment or nesting  
10 materials.

11 (7) No bee may be certified unless all other  
12 requirements for certification provided in [section 6] are  
13 met.

14 Section 9. Restrictions on the rearing, moving, and  
15 trapping of bees. (1) No person may rear any bee in a  
16 nesting material from which samples of loose larval cells  
17 cannot readily be obtained.

18 (2) No person may move any quarantined bee or  
19 equipment except by special permit issued by the department.

20 (3) No person may wild trap or attempt to wild trap  
21 bees unless that person has been issued a permit for such  
22 activity in accordance with rules adopted by the department.

23 Section 10. Fees to be set by rules -- program to be  
24 self-supporting -- earmarked account to be established. (1)  
25 Fees authorized to be charged by this [act] shall be set by

1 department rule. Such fees shall be designed to reimburse  
2 the department for costs incurred in providing services and  
3 carrying out its duties under this [act]. It is the intent  
4 of the legislature that department activities under this  
5 [act] be self-supporting.

6 (2) Fees collected shall be paid into the earmarked  
7 revenue fund for use by the department.

8 Section 11. Violation -- penalty. A person who  
9 imports, possesses, controls, moves, or wild traps or  
10 attempts to import, possess, control, move, or wild trap any  
11 bee or equipment in violation of this [act] or who  
12 interferes with or attempts to interfere with the efforts of  
13 the department or its agent to perform its duty under this  
14 [act] is guilty of a misdemeanor and upon conviction shall  
15 be fined not less than \$300 or more than \$500 for the first  
16 conviction and not less than \$300 or more than \$1,000 for  
17 each subsequent conviction.

18 Section 12. Effective date. This act is effective on  
19 passage and approval.

## STATE OF MONTANA

REQUEST NO. 300-81

## FISCAL NOTE

Form BL 15

In compliance with a written request received February 4, 19 81, there is hereby submitted a Fiscal Note for Senate Bill 363 pursuant to Title 5, Chapter 4, Part 2 of the Montana Code Annotated (MCA).

Background information used in developing this Fiscal Note is available from the Office of Budget and Program Planning, to members of the Legislature upon request.

Description of Proposed Legislation

Senate Bill 363 is an act to control importation and keeping of Alfalfa Leaf Cutting Bees and provide for the certification of health of Alfalfa Leaf Cutting Bees imported and kept in Montana.

Assumptions

1. That the act will be effective immediately upon passage and approval.
2. That committee of 5 members be appointed by the Governor, attached to the department for administrative purposes, hold meetings in Helena.
3. That the department will be responsible for inspections, sampling of bees, quarantines and/or destruction of disease infested bees.
4. That the act be self-supporting, fees set by department rules be earmarked for department use.
5. That to implement the act, 1 FTE would be required.
6. That, based on an average of 300 samples annually, a fee of approximately \$135 per sample would have to be charged to generate adequate revenue to administer this act.

13 (5) (a) Whenever the department has reasonable cause  
14 to believe a person is in possession of any diseased or  
15 parasitic bee or equipment or otherwise possesses any bee or  
16 equipment in violation of this [act] or rules adopted under  
17 [it], the department may order a quarantine for not more  
18 than 30 days of the suspected bees or equipment and may  
19 require any person in possession of such bees or equipment  
20 to hold them under specified conditions until notified  
21 otherwise in writing by the department.

22 (b) The department shall release any quarantine or  
23 order to hold bees upon a finding that the bees and  
24 equipment are disease-free and are possessed in compliance  
25 with this [act].

1 Section 4. Advisory committee created -- membership --  
2 compensation. (1) There is an advisory alfalfa leaf-cutting  
3 bee ADVISORY committee consisting of five members appointed  
4 by the governor. The committee is attached to the department  
5 for administrative purposes only as prescribed in 2-15-121.

6 (2) The committee consists of:

7 (a) three members from the Montana alfalfa seed  
8 association;

9 (b) one member from the department; and

10 (c) one member from the cooperative extension service  
11 at Montana state university.

12 (3) A list of nominees for appointment to the  
13 committee may be submitted to the governor by the Montana  
14 alfalfa seed association, the department, and the  
15 cooperative extension service for the respective  
16 appointments from each entity.

17 (4) Appointments to the committee are for 3 years.  
18 Members may be reappointed at the discretion of the  
19 appointing-authority GOVERNOR.

20 (5) Unless he is a full-time salaried officer or  
21 employee of this state or of a political subdivision of this  
22 state, each member is entitled to be paid from the earmarked  
23 revenue fund established in ~~{section--9}~~ [SECTION 10]  
24 compensation of \$25 for each day in which he is engaged in  
25 the transaction of the official business of the committee.

1 together with expenses as provided for in 2-13-501 through  
2 2-18-503.

3 Section 5. Duties of committee. The committee shall  
4 advise the department with respect to any contemplated  
5 rulemaking. The committee shall meet to review the minimum  
6 standards adopted by the department at least once a year.

7 Section 6. Alfalfa leaf-cutting bees -- inspection --  
8 certification -- fees. (1) No person may import, possess, or  
9 control alfalfa leaf-cutting bees in the state of Montana  
10 unless the bees are certified annually, as provided in this  
11 section.

12 (2) To certify bees, a person must file a completed  
13 application form provided by the department together with  
14 the certification fee prescribed by the department. The  
15 applicant must provide at least the following:

- 16 (a) name and place of residence;  
17 (b) the general location and number of bees to be  
18 registered; and  
19 (c) other relevant information as may be required by  
20 department rule.

21 (3) After receipt of an application for certification  
22 a sample of the total population of bees to be certified  
23 shall be selected by the department or its agent in a manner  
24 prescribed by the department. The sample shall be inspected  
25 for pathogens and parasites. If no pathogens or parasites in

1 excess of certification standards are found, the sample  
2 shall be reported disease-free.

3 (4) When the department has in its possession a  
4 completed application form, a certification fee, and a  
5 report that the sample is disease-free, it may issue a  
6 certificate for the bees.

7 (5) The department shall specify the date by which any  
8 applicant must apply for recertification the following year.  
9 Applications for recertification received after the date  
10 specified shall be assessed a penalty equal to 10% of the  
11 applicable certification fee.

12 Section 7. Bee laboratory authorized. The department  
13 or its agent may develop and maintain a laboratory at  
14 Montana state university for the purpose of providing  
15 disease and parasite analytical services required to carry  
16 out the provisions of this [act]. The laboratory may be  
17 authorized by the department to provide services to persons  
18 possessing any bees or equipment on a fee for service basis.

19 Section 8. Restrictions on importing bees and  
20 equipment. (1) No bee may be imported into the state of  
21 Montana except under the provisions of this section.

22 (2) Prior to the importation of any bee, the importer  
23 must file a completed application form as required in  
24 subsection (2) of [section 6] and arrange an approximate  
25 date and time for inspection.

1 (3) Every imported bee must be shipped directly to the  
2 certification laboratory to be examined for infestation by  
3 parasites or pathogens. Prior to certification, each bee and  
4 associated transport equipment shall be quarantined at the  
5 laboratory.

6 (4) No bee may be imported except in loose cells or as  
7 adults. No bee may be imported in a drilled board, soda  
8 straw, or other equipment that prevents adequate inspection  
9 of the bee.

10 (5) A representative sample of the population of bees  
11 imported shall be inspected as the basis for certification.

12 (6) No person may import used equipment or nesting  
13 materials.

14 (7) No bee may be certified unless all other  
15 requirements for certification provided in [section 6] are  
16 met.

17 Section 9. Restrictions on the rearing, moving, and  
18 trapping of bees. (1) No person may rear any bee in a  
19 nesting material from which samples of loose larval cells  
20 cannot readily be obtained.

21 (2) No person may move any quarantined bee or  
22 equipment except by special permit issued by the department.

23 (3) No person may wild trap or attempt to wild trap  
24 bees unless that person has been issued a permit for such  
25 activity in accordance with rules adopted by the department.

1 Section 10. Fees to be set by rules -- program to be  
2 self-supporting -- earmarked account to be established. (1)  
3 Fees authorized to be charged by this [act] shall be set by  
4 department rule. Such fees shall be designed to reimburse  
5 the department for costs incurred in providing services and  
6 carrying out its duties under this [act]. It is the intent  
7 of the legislature that department activities under this  
8 [act] be self-supporting.

9 (2) THERE IS AN EARMARKED REVENUE ACCOUNT KNOWN AS THE  
10 LEAF-CUTTING BEE ACCOUNT FOR USE BY THE DEPARTMENT. Fees  
11 collected UNDER [THIS ACT] shall be paid into the earmarked  
12 revenue-fund-for-use--by--the--department LEAF-CUTTING BEE  
13 ACCOUNT.

14 Section 11. Violation -- penalty. A person who  
15 imports, possesses, controls, moves, or wild traps or  
16 attempts to import, possess, control, move, or wild trap any  
17 bee or equipment in violation of this [act] or who  
18 interferes with or attempts to interfere with the efforts of  
19 the department or its agent to perform its duty under this  
20 [act] is guilty of a misdemeanor and upon conviction shall  
21 be fined not less than \$300 or more than \$500 for the first  
22 conviction and not less than \$300 or more than \$1,000 for  
23 each subsequent conviction.

24 Section 12. Effective date. This act is effective on  
25 passage and approval.

22 (3) "Committee" means the advisory alfalfa  
23 leaf-cutting bee ADVISORY committee established in [section  
24 4].

25 (4) "Department" means the department of agriculture

1 established in 2-15-3001.

2 (5) "Equipment" means grooved boards, shelters, trays,  
3 incubators, cell removers, tumblers, and other apparatus  
4 used in rearing bees.

5 (6) "Nesting materials" means equipment, laminates,  
6 and other apparatus used in nesting bees.

7 (7) "Parasite" means an organism living in or on any  
8 stage of the alfalfa leaf-cutting bee obtaining nutriment  
9 from the body of the bee.

10 (8) "Pathogen" means an organism, parasitic or  
11 otherwise, that causes disease in the alfalfa leaf-cutting  
12 bee.

13 (9) "Person" means an individual, association,  
14 partnership, or corporation.

15 (10) "Wild trap" means to trap bees on property not  
16 owned by the trapper.

17 Section 3. Department responsibilities -- adoption of  
18 rules. (1) The department is responsible for the  
19 administration of this [act].

20 (2) The department shall by rule adopt minimum  
21 standards for the presence of pathogens and parasites in  
22 bees to be certified, imported, and possessed or controlled  
23 in the state of Montana.

24 (3) The department may enter into agreements with  
25 other governmental agencies or private associations in

1 carrying out the provisions of this [act].

2 (4) In performing its duties under this [act], the  
3 department may:

4 (a) enter upon any public or private premises to  
5 inspect and sample bees or equipment that may be diseased or  
6 contaminated by parasites;

7 (b) quarantine any bees or equipment found to be  
8 infected or contaminated with pathogens at a level exceeding  
9 certification standards;

10 (c) order the disinfection or destruction of any bees  
11 or equipment that is infected or contaminated with parasites  
12 or pathogens and that does not meet certification standards.

13 (5) (a) Whenever the department has reasonable cause  
14 to believe a person is in possession of any diseased or  
15 parasitic bee or equipment or otherwise possesses any bee or  
16 equipment in violation of this [act] or rules adopted under  
17 [it], the department may order a quarantine for not more  
18 than 30 days of the suspected bees or equipment and may  
19 require any person in possession of such bees or equipment  
20 to hold them under specified conditions until notified  
21 otherwise in writing by the department.

22 (b) The department shall release any quarantine or  
23 order to hold bees upon a finding that the bees and  
24 equipment are disease-free and are possessed in compliance  
25 with this [act].

1 Section 4. Advisory committee created -- membership --  
2 compensation. (1) There is an advisory alfalfa leaf-cutting  
3 bee ADVISORY committee consisting of five members appointed  
4 by the governor. The committee is attached to the department  
5 for administrative purposes only as prescribed in 2-15-121.

6 (2) The committee consists of:

7 (a) three members from the Montana alfalfa seed  
8 association;

9 (b) one member from the department; and

10 (c) one member from the cooperative extension service  
11 at Montana state university.

12 (3) A list of nominees for appointment to the  
13 committee may be submitted to the governor by the Montana  
14 alfalfa seed association, the department, and the  
15 cooperative extension service for the respective  
16 appointments from each entity.

17 (4) Appointments to the committee are for 3 years.  
18 Members may be reappointed at the discretion of the  
19 appointing-authority GOVERNOR.

20 (5) Unless he is a full-time salaried officer or  
21 employee of this state or of a political subdivision of this  
22 state, each member is entitled to be paid from the earmarked  
23 revenue fund established in ~~{section--9}~~ [SECTION 10]  
24 compensation of \$25 for each day in which he is engaged in  
25 the transaction of the official business of the committee.

1 together with expenses as provided for in 2-18-501 through  
2 2-18-503.

3 Section 5. Duties of committee. The committee shall  
4 advise the department with respect to any contemplated  
5 rulemaking. The committee shall meet to review the minimum  
6 standards adopted by the department at least once a year.

7 Section 6. Alfalfa leaf-cutting bees -- inspection --  
8 certification -- fees. (1) No person may import, possess, or  
9 control alfalfa leaf-cutting bees in the state of Montana  
10 unless the bees are certified annually, as provided in this  
11 section.

12 (2) To certify bees, a person must file a completed  
13 application form provided by the department together with  
14 the certification fee prescribed by the department. The  
15 applicant must provide at least the following:

16 (a) name and place of residence;

17 (b) the general location and number of bees to be  
18 registered; and

19 (c) other relevant information as may be required by  
20 department rule.

21 (3) After receipt of an application for certification  
22 a sample of the total population of bees to be certified  
23 shall be selected by the department or its agent in a manner  
24 prescribed by the department. The sample shall be inspected  
25 for pathogens and parasites. If no pathogens or parasites in

1 excess of certification standards are found, the sample  
2 shall be reported disease-free.

3 (4) When the department has in its possession a  
4 completed application form, a certification fee, and a  
5 report that the sample is disease-free, it may issue a  
6 certificate for the bees.

7 (5) The department shall specify the date by which any  
8 applicant must apply for recertification the following year.  
9 Applications for recertification received after the date  
10 specified shall be assessed a penalty equal to 10% of the  
11 applicable certification fee.

12 Section 7. Bee laboratory authorized. The department  
13 or its agent may develop and maintain a laboratory at  
14 Montana state university for the purpose of providing  
15 disease and parasite analytical services required to carry  
16 out the provisions of this [act]. The laboratory may be  
17 authorized by the department to provide services to persons  
18 possessing any bees or equipment on a fee for service basis.

19 Section 8. Restrictions on importing bees and  
20 equipment. (1) No bee may be imported into the state of  
21 Montana except under the provisions of this section.

22 (2) Prior to the importation of any bee, the importer  
23 must file a completed application form as required in  
24 subsection (2) of [section 6] and arrange an approximate  
25 date and time for inspection.

1 (3) Every imported bee must be shipped directly to the  
2 certification laboratory to be examined for infestation by  
3 parasites or pathogens. Prior to certification, each bee and  
4 associated transport equipment shall be quarantined at the  
5 laboratory.

6 (4) No bee may be imported except in loose cells or as  
7 adults. No bee may be imported in a drilled board, soda  
8 straw, or other equipment that prevents adequate inspection  
9 of the bee.

10 (5) A representative sample of the population of bees  
11 imported shall be inspected as the basis for certification.

12 (6) No person may import used equipment or nesting  
13 materials.

14 (7) No bee may be certified unless all other  
15 requirements for certification provided in [section 6] are  
16 met.

17 Section 9. Restrictions on the rearing, moving, and  
18 trapping of bees. (1) No person may rear any bee in a  
19 nesting material from which samples of loose larval cells  
20 cannot readily be obtained.

21 (2) No person may move any quarantined bee or  
22 equipment except by special permit issued by the department.

23 (3) No person may wild trap or attempt to wild trap  
24 bees unless that person has been issued a permit for such  
25 activity in accordance with rules adopted by the department.

1 Section 10. Fees to be set by rules -- program to be  
2 self-supporting -- earmarked account to be established. (1)  
3 Fees authorized to be charged by this [act] shall be set by  
4 department rule. Such fees shall be designed to reimburse  
5 the department for costs incurred in providing services and  
6 carrying out its duties under this [act]. It is the intent  
7 of the legislature that department activities under this  
8 [act] be self-supporting.

9 (2) THERE IS AN EARMARKED REVENUE ACCOUNT KNOWN AS THE  
10 LEAF-CUTTING BEE ACCOUNT FOR USE BY THE DEPARTMENT. Fees  
11 collected UNDER [THIS ACT] shall be paid into the earmarked  
12 revenue-fund-for-use-by--the--department LEAF-CUTTING BEE  
13 ACCOUNT.

14 Section 11. Violation -- penalty. A person who  
15 imports, possesses, controls, moves, or wild traps or  
16 attempts to import, possess, control, move, or wild trap any  
17 bee or equipment in violation of this [act] or who  
18 interferes with or attempts to interfere with the efforts of  
19 the department or its agent to perform its duty under this  
20 [act] is guilty of a misdemeanor and upon conviction shall  
21 be fined not less than \$300 or more than \$500 for the first  
22 conviction and not less than \$300 or more than \$1,000 for  
23 each subsequent conviction.

24 Section 12. Effective date. This act is effective on  
25 passage and approval.

1 STATEMENT OF INTENT

2 SENATE BILL 363

3 Senate Agriculture, Livestock and Irrigation Committee

4  
5 A statement of intent is required for this bill because  
6 it delegates rulemaking authority to the Department of  
7 Agriculture in section 3.

8 It is the intent of this bill that the Department  
9 adhere as closely as possible to recommendations for rules  
10 made by the advisory committee established in section 4.

11 First adopted by the Senate Agriculture, Livestock and  
12 Irrigation Committee on the 13th day of February, 1981.

18 rules. (1) The department is responsible for the  
19 administration of this [act].20 (2) The department shall by rule adopt minimum  
21 standards for the presence of pathogens and parasites in  
22 bees to be certified, imported, and possessed or controlled  
23 in the state of Montana.24 (3) The department may enter into agreements with  
25 other governmental agencies or private associations in

1 carrying out the provisions of this [act].

2 (4) In performing its duties under this [act], the  
3 department may:

4 (a) enter upon any public or private premises to  
5 inspect and sample bees or equipment that may be diseased or  
6 contaminated by parasites;

7 (b) quarantine any bees or equipment found to be  
8 infected or contaminated with pathogens at a level exceeding  
9 certification standards;

10 (c) order the disinfection or destruction of any bees  
11 or equipment that is infected or contaminated with parasites  
12 or pathogens and that does not meet certification standards.

13 (5) (a) Whenever the department has reasonable cause  
14 to believe a person is in possession of any diseased or  
15 parasitic bee or equipment or otherwise possesses any bee or  
16 equipment in violation of this [act] or rules adopted under  
17 [it], the department may order a quarantine for not more  
18 than 30 days of the suspected bees or equipment and may  
19 require any person in possession of such bees or equipment  
20 to hold them under specified conditions until notified  
21 otherwise in writing by the department.

22 (b) The department shall release any quarantine or  
23 order to hold bees upon a finding that the bees and  
24 equipment are disease-free and are possessed in compliance  
25 with this [act].

1 Section 4. Advisory committee created -- membership --  
2 compensation. (1) There is an advisory alfalfa leaf-cutting  
3 bee ADVISORY committee consisting of five members appointed  
4 by the governor. The committee is attached to the department  
5 for administrative purposes only as prescribed in 2-15-121.

6 (2) The committee consists of:

7 (a) three members from the Montana alfalfa seed  
8 association;

9 (b) one member from the department; and

10 (c) one member from the cooperative extension service  
11 at Montana state university.

12 (3) A list of nominees for appointment to the  
13 committee may be submitted to the governor by the Montana  
14 alfalfa seed association, the department, and the  
15 cooperative extension service for the respective  
16 appointments from each entity.

17 (4) Appointments to the committee are for 3 years.  
18 Members may be reappointed at the discretion of the  
19 appointing-authority GOVERNOR.

20 (5) Unless he is a full-time salaried officer or  
21 employee of this state or of a political subdivision of this  
22 state, each member is entitled to be paid from the earmarked  
23 revenue fund established in ~~[section--9]~~ [SECTION 10]  
24 compensation of \$25 for each day in which he is engaged in  
25 the transaction of the official business of the committee.

1 together with expenses as provided for in 2-18-501 through  
2 2-18-503.

3 Section 5. Duties of committee. The committee shall  
4 advise the department with respect to any contemplated  
5 rulemaking. The committee shall meet to review the minimum  
6 standards adopted by the department at least once a year.

7 Section 6. Alfalfa leaf-cutting bees -- inspection --  
8 certification -- fees. (1) No person may import, possess, or  
9 control alfalfa leaf-cutting bees in the state of Montana  
10 unless the bees are certified annually, as provided in this  
11 section.

12 (2) To certify bees, a person must file a completed  
13 application form provided by the department together with  
14 the certification fee prescribed by the department. The  
15 applicant must provide at least the following:

16 (a) name and place of residence;

17 (b) the general location and number of bees to be  
18 registered; and

19 (c) other relevant information as may be required by  
20 department rule.

21 (3) After receipt of an application for certification  
22 a sample of the total population of bees to be certified  
23 shall be selected by the department or its agent in a manner  
24 prescribed by the department. The sample shall be inspected  
25 for pathogens and parasites. If no pathogens or parasites in

1 excess of certification standards are found, the sample  
2 shall be reported disease-free.

3 (4) When the department has in its possession a  
4 completed application form, a certification fee, and a  
5 report that the sample is disease-free, it may issue a  
6 certificate for the bees.

7 (5) The department shall specify the date by which any  
8 applicant must apply for recertification the following year.  
9 Applications for recertification received after the date  
10 specified shall be assessed a penalty equal to 10% of the  
11 applicable certification fee.

12 Section 7. Bee laboratory authorized. The department  
13 or its agent may develop and maintain a laboratory at  
14 Montana state university for the purpose of providing  
15 disease and parasite analytical services required to carry  
16 out the provisions of this [act]. The laboratory may be  
17 authorized by the department to provide services to persons  
18 possessing any bees or equipment on a fee for service basis.

19 Section 8. Restrictions on importing bees and  
20 equipment. (1) No bee may be imported into the state of  
21 Montana except under the provisions of this section.

22 (2) Prior to the importation of any bee, the importer  
23 must file a completed application form as required in  
24 subsection (2) of [section 6] and arrange an approximate  
25 date and time for inspection.

1 (3) Every imported bee must be shipped directly to the  
2 certification laboratory to be examined for infestation by  
3 parasites or pathogens. Prior to certification, each bee and  
4 associated transport equipment shall be quarantined at the  
5 laboratory.

6 (4) No bee may be imported except in loose cells or as  
7 adults. No bee may be imported in a drilled board, soda  
8 straw, or other equipment that prevents adequate inspection  
9 of the bee.

10 (5) A representative sample of the population of bees  
11 imported shall be inspected as the basis for certification.

12 (6) No person may import used equipment or nesting  
13 materials.

14 (7) No bee may be certified unless all other  
15 requirements for certification provided in [section 6] are  
16 met.

17 Section 9. Restrictions on the rearing, moving, and  
18 trapping of bees. (1) No person may rear any bee in a  
19 nesting material from which samples of loose larval cells  
20 cannot readily be obtained.

21 (2) No person may move any quarantined bee or  
22 equipment except by special permit issued by the department.

23 (3) No person may wild trap or attempt to wild trap  
24 bees unless that person has been issued a permit for such  
25 activity in accordance with rules adopted by the department.

1 Section 10. Fees to be set by rules -- program to be  
2 self-supporting -- earmarked account to be established. (1)  
3 Fees authorized to be charged by this [act] shall be set by  
4 department rule. Such fees shall be designed to reimburse  
5 the department for costs incurred in providing services and  
6 carrying out its duties under this [act]. It is the intent  
7 of the legislature that department activities under this  
8 [act] be self-supporting.

9 (2) THERE IS AN EARMARKED REVENUE ACCOUNT KNOWN AS THE  
10 LEAF-CUTTING BEE ACCOUNT FOR USE BY THE DEPARTMENT. Fees  
11 collected UNDER [THIS ACT] shall be paid into the earmarked  
12 revenue-fund-for-use--by--the--department LEAF-CUTTING BEE  
13 ACCOUNT.

14 Section 11. Violation -- penalty. A person who  
15 imports, possesses, controls, moves, or wild traps or  
16 attempts to import, possess, control, move, or wild trap any  
17 bee or equipment in violation of this [act] or who  
18 interferes with or attempts to interfere with the efforts of  
19 the department or its agent to perform its duty under this  
20 [act] is guilty of a misdemeanor and upon conviction shall  
21 be fined not less than \$300 or more than \$500 for the first  
22 conviction and not less than \$300 or more than \$1,000 for  
23 each subsequent conviction.

24 Section 12. Effective date. This act is effective on  
25 passage-and-approval JULY 1, 1981.
