1 A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF
 2 REPRESENTATIVES OF THE STATE OF MONTANA URGING CONGRESS AND
 3 OTHER BRANCHES OF THE FEDERAL GOVERNMENT TO STUDY AND
 4 IMPLEMENT WAYS TO MAKE GROUPS INTERVENING IN PROCEEDINGS
 5 RELATING TO THE CONSTRUCTION OF ENERGY GENERATION FACILITIES
 6 LEGALLY AND FINANCIALLY RESPONSIBLE FOR THEIR ACTIONS.

11 WHEREAS, the United States, the Northwest region, and
 12 the State of Montana are faced with the prospects of severe
 13 energy shortages, particularly of electrical energy, in the
 14 near future; and

15 WHEREAS, new energy generation facilities are needed to
 16 prevent these shortages and their potentially disastrous
 17 effects from occurring; and

18 WHEREAS, in recent years various special interest and
 19 environmental groups, as well as certain agencies of the
 20 federal government, have obstructed the expeditious
 21 construction of these necessary facilities through legal
 22 suits and other delaying tactics; and

23 WHEREAS, these groups do not represent the will or the
 24 interests of the majority of the people and are not acting
 25 in the best interests of the people.

1 NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE
 2 OF REPRESENTATIVES OF THE STATE OF MONTANA:

3 (1) That the United States Congress and other branches
 4 of the federal government are urged to study and implement
 5 ways to make groups intervening in proceedings relating to
 6 the construction of energy generation facilities legally and
 7 financially responsible for their actions.

8 (2) That the United States Congress is urged to enact
 9 legislation that will prevent special interest groups and
 10 federal agencies from halting the construction of energy
 11 generation facilities once statutorily required review has
 12 been completed and approval and certification have been
 13 received and actual construction has begun.

14 (3) That the Secretary of State send copies of this
 15 resolution to the Montana Congressional Delegation.
