ON EDUCATION AND CULTURAL RESOURCES

A BILL FOR AN ACT ENTITLED: "AN ACT PROVIDING FOR  
ADMINISTRATION OF THE CULTURAL AND AESTHETIC GRANTS PROGRAM  
BY THE MONTANA ARTS COUNCIL; PROVIDING FOR GRANT CONDITIONS  
AND EXPENDITURES; APPROPRIATING MONEY FOR CERTAIN PROJECTS;  
AND PROVIDING AN EFFECTIVE DATE."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Conditions — additional funds — accounts  
and reports. (1) No grant may be awarded unless the grantee  
accepts the Montana arts council's conditions of the grant  
and signs a contract stipulating those conditions.

(2) The grantee must agree that the funds granted will  
be expended solely for the purpose and activities described  
in the approved proposal. If the grant award proves to be  
inadequate for the administration of the project as  
originally submitted, the grantee may submit, prior to the  
beginning of the grant period, modifications to the proposal  
and an operational budget supporting the modifications. All  
granted funds to be expended by the grantee must be spent or  
encumbered during the grant period.

(3) No project may receive more than 25% of the total  
grant award during any 6-month period. The second and each  
succeeding payment may be made only after an examination of  
the costs incurred and expenditures made to date by the  
grantee and a determination of any remaining balance from  
prior grant periods is made.

(4) The grantee must maintain accounts, records, and  
other pertinent material pertaining to the costs incurred  
and expenditures made under the grant. The system of  
accounting employed by the grantee must be in accordance  
with generally accepted accounting principles and be applied  
in a consistent manner so that project costs and  
expenditures can be clearly identified. Accounts, records,  
and other pertinent material must be maintained for 3 years  
from the official termination date of the grant period or  
until an audit, approved by the council, has been completed  
and any questions arising from the audit have been resolved  
to the satisfaction of the council.

(5) Grantees must submit to the council semiannual  
reports of expenditures during the course of the project and  
such other financial and descriptive reports as the council  
may require. The grantee must submit, within 30 days after  
completion of the project, a final financial report and a  
narrative report stating what was accomplished with the  
grant. Five percent of the total grant award must be held

1 pending receipt of final reports by the council.

2 (6) The council may, at the principal place of  
3 business of the grantee and during regular business hours,  
4 examine any directly pertinent records, accounts, and  
5 documents of the grantee involving transactions related to  
6 the grant.

7 (7) A grantee must agree in writing that no person  
8 will, on the grounds of race, color, national origin, sex,  
9 or age, be excluded from participation in, be denied the  
10 benefits of, or be subjected to discrimination under any  
11 program or activity that results from the expenditure of  
12 grant funds.

13 (8) A grantee must agree in writing that the grantee  
14 is the official and sole agency for the administration of  
15 the project described in the grant agreement.

16 Section 2. Allocation and disbursement of funds. (1)  
17 The Montana arts council shall allocate and disburse  
18 cultural and aesthetic project account funds as appropriated  
19 by the legislature.

20 (2) If the funds in the cultural and aesthetic  
21 projects account are insufficient to fund projects in the  
22 amount of the legislative appropriation for the projects,  
23 the council shall allocate and disburse the account's funds  
24 as follows:

25 (a) Projects of an ongoing nature during the full

1 course of the grant period must receive the first priority  
2 for allocation of account funds. For purposes of this  
3 section, "ongoing project" means a project designed to  
4 operate throughout the grant period with a full-time staff  
5 and obligations to be met monthly.

6 (b) All other projects must be allocated the remaining  
7 funds on a percentage basis. The percentage must be  
8 determined for each such project by dividing the amount  
9 appropriated for each such project by the total amount  
10 appropriated for all such projects.

11 Section 3. Reversion of granted funds. At the end of a  
12 grant period, any unexpended balance of the grant shall  
13 revert to the cultural and aesthetic projects account  
14 provided for in 15-35-108.
