3 BY REQUEST OF THE DEPARTMENT OF INSTITUTIONS

4  
 5 A BILL FOR AN ACT ENTITLED: "AN ACT TO PROVIDE CRITERIA FOR  
 6 ADMISSIONS TO THE MONTANA CENTER FOR THE AGED; REVISING THE  
 7 TRANSFER AND DISCHARGE PROCEDURE; AMENDING SECTIONS  
 8 53-21-411 THROUGH 53-21-413, MCA."

9  
 10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

11 Section 1. Section 53-21-411, MCA, is amended to read:  
 12 "53-21-411. Location and function of center. The  
 13 institution located at Lewistown is the Montana center for  
 14 the aged. The primary function of the center is the care and  
 15 treatment of persons ~~who have been admitted to 55 years of~~  
 16 ~~age or older. Priority must be given to patients referred~~  
 17 ~~from Warm Springs state hospital and---subsequently~~  
 18 ~~transferred to the center or Galen state hospital."~~

19 Section 2. Section 53-21-412, MCA, is amended to read:  
 20 "53-21-412. Transfer of patients between Warm Springs  
 21 and Galen hospitals and center. With the approval of the  
 22 department of institutions, the Warm Springs state hospital  
 23 may transfer a patient to the center or from the center to  
 24 the state hospital. With the approval of the department, the  
 25 state hospital may transfer a patient residing at the center

1 to Galen state hospital. ~~Unless a medical or psychiatric~~  
 2 ~~emergency exists, 15 days prior to the transfer the~~  
 3 ~~department shall notify the patient's parent, guardian, or~~  
 4 ~~spouse or, if none is known, his nearest relative or friend.~~  
 5 ~~In the case of an emergency transfer, the department shall~~  
 6 ~~send notice within 72 hours after the time of transfer."~~

7 Section 3. Section 53-21-413, MCA, is amended to read:  
 8 "53-21-413. Discharge or convalescent release of  
 9 patients. Upon the request of the superintendent of the  
 10 center, the ~~superintendent of the state hospital~~ department  
 11 of institutions may authorize the discharge or release on  
 12 convalescent status of a patient residing at the center  
 13 under the same restrictions provided by law for the  
 14 discharge and release or convalescent status of patients of  
 15 the state hospital."

16 NEW SECTION. Section 4. Admissions. Appropriate  
 17 admissions to the Montana center for the aged are persons  
 18 unable to maintain themselves in their homes or communities  
 19 due to mild psychiatric impairments associated with the  
 20 aging process but who do not require the intensity of  
 21 treatment available at Warm Springs or Galen state hospital.

22 NEW SECTION. Section 5. Codification instruction.  
 23 Section 4 is intended to be codified as an integral part of  
 24 Title 53, chapter 21, part 4, and the provisions of Title  
 25 53, chapter 21, part 4, apply to section 4.

1 STATEMENT OF INTENT

2 SENATE BILL 209

3 Senate Public Health Committee

4  
5 The Department of Institutions is requesting  
6 legislation that would clarify the role of the Montana  
7 Center for the Aged in Lewistown and provide for an  
8 admission procedure.

9 The Department of Institutions is requesting  
10 legislative authority under rulemaking provisions that it be  
11 given clear rulemaking authority for the admission criteria  
12 of persons who are unable to maintain themselves in the  
13 community due to the aging process.

14 Criteria that would be considered under the rulemaking  
15 authority include:

- 16 (a) consideration of persons's age,
- 17 (b) consideration of person's mental and physical  
18 status, specifically as it relates to mild psychiatric  
19 impairments, senility, and other organic symptoms,
- 20 (c) consideration of ability of Center for the Aged to  
21 meet with person's needs,
- 22 (d) consideration of person's sex as relates to  
23 availability of appropriate living space,
- 24 (e) consideration of person's ability to ambulate  
25 without special devices or physical assistance,

1 (f) voluntary admissions.

2 Specifically this rulemaking authority should give the  
3 Department the ability to adopt rules indicating the type of  
4 medical and mental illnesses involved, the evaluation and  
5 diagnosis process of mental health professionals and  
6 physicians.

7 Standards for determining the programs that will be  
8 provided for residents at the Center for the Aged.

9 Specific criteria relative to transfers necessary to  
10 other facilities and, discharge criteria, if any, from the  
11 institution, if needed. It is the intention that these rules  
12 make it very clear that acute psychiatric problems are not  
13 to be used for admission to the Center for the Aged.

STATEMENT OF INTENT

SENATE BILL 209

Senate Public Health Committee

The Department of Institutions is requesting legislation that would clarify the role of the Montana Center for the Aged in Lewistown and provide for an admission procedure.

The Department of Institutions is requesting legislative authority under rulemaking provisions that it be given clear rulemaking authority for the admission criteria of persons who are unable to maintain themselves in the community due to the aging process.

Criteria that would be considered under the rulemaking authority include:

(a) consideration of person's age,

(b) consideration of person's mental and physical status, specifically as it relates to mild psychiatric impairments, senility, and other organic symptoms,

(c) consideration of ability of Center for the Aged to meet with person's needs,

(d) consideration of person's sex as relates to availability of appropriate living space,

(e) consideration of person's ability to ambulate without special devices or physical assistance,

(f) voluntary admissions.

Specifically this rulemaking authority should give the Department the ability to adopt rules indicating the type of medical and mental illnesses involved, the evaluation and diagnosis process of mental health professionals and physicians.

Standards for determining the programs that will be provided for residents at the Center for the Aged.

Specific criteria relative to transfers necessary to other facilities and, discharge criteria, if any, from the institution, if needed. It is the intention that these rules make it very clear that acute psychiatric problems are not to be used for admission to the Center for the Aged.
