 6 REGULATION OF PREFERRED PROVIDER ARRANGEMENTS; PERMITTING
 7 INSURERS TO ENTER INTO ARRANGEMENTS WITH LICENSED HEALTH
 8 CARE PROVIDERS AND TO ISSUE POLICIES THAT INCLUDE INCENTIVES
 9 OR LIMIT REIMBURSEMENT FOR UTILIZING SERVICES RENDERED BY

13
 14 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

15 NEW SECTION. Section 1. Short title. [Sections 1
 16 through 12] may be cited as the "Preferred Provider
 17 Arrangements Act".

18 NEW SECTION. Section 2. Purpose. The purpose of
 19 [sections 1 through 12] is to allow health care insurers
 20 providing group disability insurance benefits to negotiate
 21 and contract with licensed health care providers either to
 22 provide health care services to its subscribers at a
 23 reduction in the fees customarily charged by the provider or
 24 to enter into arrangements whereby the participating
 25 providers accept negotiated fees as payment in full for

1 covered services.

2 NEW SECTION. Section 3. Definitions. As used in
 3 [sections 1 through 12], the following definitions apply:

4 (1) "Covered services" means health care services that
 5 the health care insurer is obligated to pay for or provide
 6 under the health benefit plan.

7 (2) "Emergency services" means services provided in
 8 case of a sudden, serious, and unexpected illness or injury
 9 that requires immediate medical attention.

10 (3) "Health benefit plan" means the health insurance
 11 policy or subscriber arrangement between the insured or
 12 subscriber and the health care insurer that defines the
 13 covered services and benefit levels available.

14 (4) "Health care insurer" means an insurer that
 15 provides disability insurance as defined in 33-1-207, a
 16 health service corporation as defined in 33-30-101, a health
 17 maintenance organization [as defined in section 1 of ___ Bill
 18 No. ___ [LC 1134]], a fraternal benefit society as defined in
 19 33-7-102, or any other entity regulated by the insurance
 20 department that provides group health coverage.

21 (5) "Health care services" means health care services
 22 or products rendered or sold by a provider within the scope
 23 of the provider's license or legal authorization. The term
 24 includes but is not limited to hospital, medical, surgical,
 25 dental, vision, and pharmaceutical services or products.

1 (6) "Insured" means an individual entitled to
2 reimbursement for expenses of health care services under a
3 policy or subscriber contract issued or administered by an
4 insurer.

5 (7) "Preferred provider" means a provider or group of
6 providers who have contracted to provide specified health
7 care services.

8 (8) "Preferred provider arrangement" means a contract
9 between or on behalf of a health care insurer and a
10 preferred provider.

11 (9) "Provider" means an individual or entity licensed
12 or authorized to provide health care services in this state.

13 (10) "Subscriber" means a certificate holder or other
14 person on whose behalf the health care insurer is paying for
15 or providing health care coverage.

16 NEW SECTION. Section 4. Preferred provider
17 arrangements authorized. (1) Notwithstanding any provision
18 of law to the contrary, a health care insurer may:

19 (a) enter into arrangements with providers relating to
20 health care services that may be rendered to insureds or
21 subscribers on whose behalf the health care insurer is
22 paying for or providing health care coverage, including
23 preferred provider arrangements relating to:

24 (i) the amount and manner of payment to the provider;
25 and

1 (ii) the review and control of utilization of health
2 care services, if those arrangements do not result in
3 imposition of costs on policyholders or subscribers by
4 reason of postutilization denial of payment for services
5 over which those policyholders or subscribers have no
6 control; and

7 (b) issue or administer policies or subscriber
8 contracts in this state that include incentives for the
9 insured to utilize the services of a provider that has
10 entered into an arrangement with the health care insurer
11 pursuant to subsection (1)(a).

12 (2) A preferred provider arrangement issued or
13 delivered in this state must:

14 (a) establish the amount and manner of payment to the
15 preferred provider. The amount and manner of payment may
16 include per capita payments to the preferred provider.

17 (b) include mechanisms that are designed to minimize
18 the cost of the health benefit plan. These mechanisms may
19 include among others:

20 (i) review or control of utilization of health care
21 services; and

22 (ii) a procedure for determining whether health care
23 services rendered are medically necessary;

24 (c) assure reasonable access to covered services
25 available under the preferred provider arrangement and an

1 adequate number of preferred providers to render those
2 services.

3 (3) A preferred provider arrangement issued or
4 delivered in this state may not unfairly deny health
5 benefits for medically necessary covered services.

6 (4) Nothing in [sections 1 through 12] may be
7 interpreted to require that an insurer negotiate or enter
8 into arrangements with a specific provider or class of
9 providers.

10 NEW SECTION. Section 5. Incentives in health benefit
11 plans. (1) A health care insurer may issue a policy or a
12 health benefit plan that provides for incentives for covered
13 persons to use the health care services of preferred
14 providers. The policy or health benefit plan must contain at
15 least the following:

16 (a) a provision that if a covered person receives
17 emergency care for services specified in the preferred
18 provider arrangement and cannot reasonably reach a preferred
19 provider, the care rendered during the course of the
20 emergency will be reimbursed as though the covered person
21 had been treated by a preferred provider; and

22 (b) a provision that clearly identifies the
23 differentials in benefit levels for health care services of
24 a preferred provider and benefit levels for health care
25 services of nonpreferred providers.

1 (2) If the policy or health benefit plan provides
2 differences in benefit levels payable to a preferred
3 provider compared to other providers, the differences may
4 not unfairly deny payment for covered services and may be no
5 greater than necessary to provide a reasonable incentive for
6 covered persons to use the preferred provider.

7 NEW SECTION. Section 6. Reimbursement for emergency
8 services. If a subscriber receives emergency services and
9 cannot reasonably reach a preferred provider, the emergency
10 services must be reimbursed as though the subscriber had
11 been treated by a preferred provider.

12 NEW SECTION. Section 7. Permissible provisions in
13 provider arrangements, insurance policies, and subscriber
14 contracts. (1) A provider arrangement, insurance policy, or
15 subscriber contract issued or delivered in this state may
16 contain other components designed to control the cost and
17 improve the quality of health care for policyholders and
18 subscribers, including:

19 (a) per capita payment to providers;

20 (b) a payment differential of not more than 25%
21 between use of providers with arrangements with the health
22 care insurer and use of providers without such arrangements.
23 The commissioner may by rule determine appropriate
24 differentials between copayments, deductibles, or other
25 cost-sharing arrangements.

1 (c) limitations on the number of providers with whom
2 arrangements may be made following satisfaction of the basic
3 standards set forth by the health care insurer, except that
4 there may be no discrimination against any class of
5 providers and no discrimination on the basis of religion,
6 race, color, national origin, age, sex, or marital status;

7 (d) conditions, not inconsistent with other provisions
8 of [sections 1 through 12], designed to give incentive to
9 policyholders or subscribers to choose a particular
10 provider; and

11 (e) other provisions not inconsistent with [sections 1
12 through 12] that the commissioner may approve.

13 (2) All terms or conditions of a provider arrangement,
14 insurance policy, or subscriber contract are subject to the
15 prior approval of the commissioner.

16 NEW SECTION. Section 8. Arrangements with providers.

17 (1) Notwithstanding any other provision of law to the
18 contrary, a person doing business in this state, including
19 but not limited to a provider, health care insurer,
20 insurance agent, or third-party administrator, may make
21 arrangements with providers as authorized in [section 4] and
22 may make such arrangements available to health care insurers
23 only if, in performing such functions, the person:

24 (a) does not accept financial risk of loss and is
25 reimbursed solely for his functions of entering arrangements

1 and marketing and administering those arrangements; and

2 (b) adequately discloses his role and limited
3 responsibilities whenever making those arrangements
4 available to health care insurers, insureds, or subscribers.

5 (2) A person described in subsection (1) shall file
6 with the commissioner a sworn certification affirming that
7 he has complied with the requirements of this section and
8 providing a concise description of his operations. If a
9 material change in operations occurs, the person shall
10 refile the sworn certification.

11 NEW SECTION. Section 9. Applicability -- filing with
12 commissioner. (1) Within 60 days of [the effective date of
13 sections 1 through 12], a person or organization performing
14 the functions enumerated in [sections 4 through 7] shall
15 notify the commissioner of its existence, provide the
16 commissioner with the information the commissioner may
17 determine to be necessary, and continue to operate subject
18 to applicable laws.

19 (2) A person performing the functions enumerated in
20 [section 8] and operating prior to [the effective date of
21 sections 1 through 12] shall file a certification as
22 required in [section 8] within 60 days of [the effective
23 date of sections 1 through 12]. Any person who commences
24 performance of the functions enumerated in [section 8] after
25 [the effective date of sections 1 through 12] shall file the

1 certification within 30 days of commencement.

2 NEW SECTION. Section 10. Jurisdiction of
3 commissioner. A person or other entity that provides
4 coverage in this state for services of providers, whether
5 this coverage is by direct payment, reimbursement, or
6 otherwise, and that enters any arrangement of the type set
7 forth in [sections 1 through 12] or underwrites using
8 preferred provider arrangements set forth in [sections 1
9 through 12] is subject to the jurisdiction of the
10 commissioner.

11 NEW SECTION. Section 11. Rules. The commissioner may
12 make reasonable rules relating to the accessibility and
13 availability of health care services for persons insured
14 under policies or contracts described in [section 4].

15 NEW SECTION. Section 12. Penalty. The commissioner
16 may impose the penalties provided in 33-1-104 and 33-1-317
17 for any violation of [sections 1 through 12].

18 Section 13. Section 33-22-111, MCA, is amended to
19 read:

20 "33-22-111. Policies to provide for freedom of choice
21 of practitioners -- professional practice not enlarged. (1)
22 All Except as provided in [sections 1 through 12], all
23 policies of disability insurance, including individual,
24 group, and blanket policies, and all policies insuring the
25 payment of compensation under the Workers' Compensation Act

1 shall provide that the insured shall have full freedom of
2 choice in the selection of any duly licensed physician,
3 dentist, osteopath, chiropractor, optometrist, chiropodist,
4 psychologist, licensed social worker, or nurse specialist as
5 specifically listed in 37-8-202 for treatment of any illness

9 selection of any duly licensed and registered pharmacist.
10 An insurer shall offer, at additional cost to the insured,
11 the option of disability and health insurance coverage for
12 services performed by a licensed professional counselor.

13 (2) Nothing in this section shall be construed as
14 enlarging the scope and limitations of practice of any of
15 the licensed professions enumerated in subsection (1); nor
16 shall this section be construed as amending, altering, or
17 repealing any statutes relating to the licensing or use of
18 hospitals."

19 NEW SECTION. Section 14. Codification instruction.
20 Sections 1 through 12 are intended to be codified as an
21 integral part of Title 33, and the provisions of Title 33
