*SB-98*

STATE OF MONTANA - FISCAL NOTE

Form BD-15

In compliance with a written request, there is hereby submitted a Fiscal Note for SB098, as introduced.

DESCRIPTION OF PROPOSED LEGISLATION:

An act providing that the printing of the Montana Code Annotated is subject to the resident bidder preference for public contract; amending Section 18-7-107, MCA; and providing a retroactive effective date.

ASSUMPTIONS:

1. The specifications for printing the code will allow for printing on either 35# paper as is currently the case or 50# paper. The lower bidder would be accepted subject to the preference established by this bill.
2. Bids received this year will be comparable to bids received in previous years such that the three percent preference may allow acceptance of bids of approximately \$9,000 to \$13,000 greater.
3. Higher costs, if experienced, will be passed through to code purchasers. Cost will be allocated to 3200 sets of the code, so added costs could range as high as \$2.81 to \$4.63 per set.

FISCAL IMPACT:

Depending on the low bid and the applicability of the preference Montana Code Annotated purchasers including state and local government agencies could experience added costs of \$2.81 to \$4.63 per set of the codes purchased.
