#### STATE OF MONTANA - FISCAL NOTE Form BD-15

In compliance with a written request, there is hereby submitted a Fiscal Note for \_SB0108, as introduced.

DESCRIPTION OF PROPOSED LEGISLATION: Generally revises laws relating to criminal justice information and allows the Department of Justice to use juveniles' fingerprints and photographs for investigative purposes.

#### ASSUMPTIONS:

- The bill will cause some workload increase in the Department of Justice but will not have a material fiscal impact.
- 2. There are 3.00 federally funded FTE in FY93 in the Law Enforcement Services Division of the Department of Justice whose duties are directed toward maintenance and update of criminal history records. These FTE are not included in the executive budget for the 1995 biennium due to the expiration of federal funds. In the absence of these positions, this bill will add to a potential backlog of work in criminal history records.

FISCAL IMPACT:

None.
