A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING CONGRESS TO FULLY FUND COMPLETION OF THE LEWIS AND CLARK NATIONAL HISTORIC TRAIL INTERPRETIVE CENTER NEAR GREAT FALLS, MONTANA.

WHEREAS, the United States Congress enacted Public Law 100-552, authorizing the Secretary of Agriculture to establish the Lewis and Clark National Trail Interpretive Center in the vicinity of Giant Springs Heritage State Park near Great Falls, Montana; and

WHEREAS, development of the center will provide the State of Montana and the United States with a unique interpretation of the Lewis and Clark Expedition and its encounters in Indian Country and will establish a logical and essential link between the center at St. Louis, Missouri, the beginning of the expedition, and the center at Fort Clatsop, Oregon, the ending point of the Lewis and Clark Trail; and

WHEREAS, development of the center will allow historians to preserve and protect the very spirit of discovery in a location where one is still able to experience the physical,

mental, and emotional challenges encountered by the Corps of Discovery and will provide all Americans an opportunity to fully examine and interpret the real challenges of westward expansion; and

WHEREAS, completion of the center will provide a valuable economic contribution to the area through increased tourism and expanded educational resources; and

WHEREAS, the State of Montana has committed to the donation of up to 50 acres of land to the federal government for the center site, the city of Great Falls and Cascade County have pledged significant financial support, and numerous private citizens have invested both time and resources to achieve the designation of the center in Montana; and

WHEREAS, the required conceptual plan for the development of the center has been completed in a timely manner, and the design package has been submitted to the House Committee on Interior and Insular Affairs and the Senate Committee on Energy and Natural Resources according to the prescribed timetable; and
