STATE OF MONTANA - FISCAL NOTE

Form BD-15

In compliance with a written request, there is hereby submitted a Fiscal Note for HB0083, as introduced.

DESCRIPTION OF PROPOSED LEGISLATION:

An act repealing 50-34-(101-110) MCA, the Montana Flour and Bread Enrichment Law. This law includes administrative rules, inspections and sampling, setting vitamin and mineral standards for flour and bread, and compliance penalties.

ASSUMPTIONS:

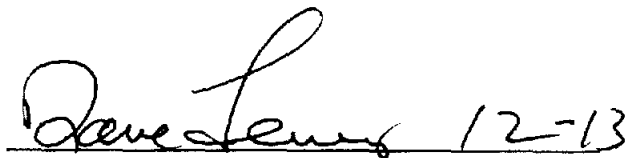

1. Repealing this statute will remove one regulatory function from the Department of Health and Environmental Sciences (DHES).
2. At this time, it is not possible to calculate a fiscal impact (savings) due to repealing the Montana Flour and Bread Enrichment Law. However, DHES will no longer be required to devote resources (including general fund) to this function.

FISCAL IMPACT:

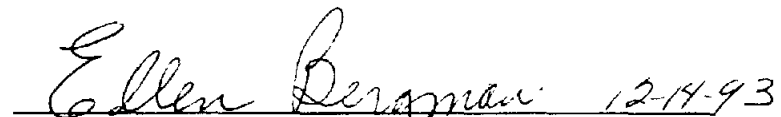

Not possible to calculate at this time.

LONG-RANGE EFFECTS OF PROPOSED LEGISLATION:

Complaints can still be investigated and compliance obtained on an as-needed basis under other authorities through Montana law.
