1                                    HOUSE BILL NO. 22

2                                 INTRODUCED BY KOTTEL

3         BY REQUEST OF THE JOINT INTERIM SUBCOMMITTEE ON STATE MANAGEMENT SYSTEMS

4

5         A BILL FOR AN ACT ENTITLED: "AN ACT EXPANDING THE MEMBERSHIP AND DUTIES OF THE STATE

6         INFORMATION TECHNOLOGY ADVISORY COUNCIL TO INCLUDE LOCAL GOVERNMENT MEMBERS AND

7         TO PROVIDE A FORUM FOR TECHNOLOGICAL MATTERS INVOLVING BOTH STATE AGENCIES AND

8         LOCAL GOVERNMENTS; AND AMENDING SECTION 2-17-502, MCA."

9

10        BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

11

12              **Section 1.** Section 2-17-502, MCA, is amended to read:

13              **"2-17-502. State information technology advisory council.** (1) The department of administration

14        shall create a state information technology advisory council under 2-15-122.

15              (2) The members of the advisory council must be selected from a diverse group in order to

16        adequately represent the interests of state agencies, including the university system, and local

17        governments.

18              (3) In addition to the advisory functions assigned by the department, the information technology

19        advisory council shall review statewide information and data processing policies, make recommendations

20        regarding the application of new information processing technology in state government, and advise the

21        department on long-term strategic planning for the use of information processing technology in state

22        government.

23              (4) The advisory council shall also provide a forum to:

24              (a) guide state agencies and local governments in the development and deployment of

25        intergovernmental information resources;

26              (b) encourage cooperative efforts among state agencies and local governments in the development

27        of information resources;

28              (c) develop and recommend to the department standards and policies for intergovernmental

29        information resources; and

30              (d) advise the department in the development of cooperative contracts for the purchase of

                                                                                             INTRODUCED BILL

1    information resources."

2                                          -END-
