14  
 15 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

16  
 17 **Section 1.** Section 87-1-268, MCA, is amended to read:  
 18 **"87-1-268. (Temporary) Variable pricing of outfitter-sponsored Class B-10 and B-11 licenses.** The  
 19 commission shall annually set fees for outfitter-sponsored Class B-10 and Class B-11 licenses allowed under

 25 (Terminates October 1, 2001--sec. 18, Ch. 459, L. 1995.)"

 27 **Section 2.** Section 87-2-506, MCA, is amended to read:  
 28 **"87-2-506. Restrictions on hunting licenses.** (1) The department may prescribe by rule the number  
 29 of hunting licenses to be issued. Any license sold may be restricted to a specific administrative region,  
 30 hunting district, or other designated area and may specify the species, age, and sex to be taken and the

1 time period for which the license is valid.

2 (2) ~~(a) When~~ Except as provided in subsection (2)(b), when the number of valid resident  
3 applications for big game licenses or permits of a single class or type exceeds the number of licenses or

14 **"87-2-702. Restrictions on special licenses.** (1) A person who has killed or taken any game animal,  
15 except a deer or an antelope, during the current license year is not permitted to receive a special license  
16 under this chapter to hunt or kill a second game animal of the same species.

17 (2) The commission may require applicants for special permits authorized by this chapter to obtain  
18 a valid big game license for that species for the current year prior to applying for a special permit.

19 (3) Special permits authorized by this chapter must be issued on a district basis rather than on a  
20 regional basis.

24 the exception of an adult ewe license, as authorized by 87-2-701, is not eligible to receive another special

26 sheep license" means a license that is valid for an area in which the number of licenses issued is restricted.

27 (b) A person who takes a mountain sheep using an unlimited mountain sheep license, with the  
28 exception of a mountain sheep taken pursuant to an adult ewe license, as authorized by 87-2-701, is not  
29 eligible to receive another special license for that species for the next 7 years. For the purposes of this  
30 subsection (b), "unlimited mountain sheep license" means a license that is valid for an area in which the

8 (b) designate special elk permit areas where priority will be given to applicants who have not held  
9 special elk permits for a period of years to be determined by the department.

10 (2) The department shall provide that a person who is issued a special elk permit to hunt antlerless  
11 elk during the regular hunting season is:

STATE OF MONTANA - FISCAL NOTE

Fiscal Note for HB0265, as introduced

DESCRIPTION OF PROPOSED LEGISLATION:

An act providing relief for resident hunters by revising the system of issuance of special permits issued by the Department of Fish, Wildlife & Parks through a provision that nonresidents may not receive more than 10% of the total special permits for each gender of any species; reducing from 2,300 to 2,000 the number of reserved B-11 licenses that may be sold by variable pricing in any one license year and limiting the total number of available reserved variable priced licenses; providing that special permits must be issued on a district basis rather than on a regional basis; and prohibiting a person who receives a special elk permit in certain designated areas from applying for a similar permit in any designated area for 5 years.

ASSUMPTIONS:

1. The 10% limitation on nonresident permits applies to moose, goat, sheep, antelope and elk.
2. Revenue is projected based on license year 1996 license information and is the difference between what was received and what the Department of Fish, Wildlife and Parks (FWP) would receive under the proposed changes. Revenues will vary based on quotas set.
3. FWP will be able to issue all licenses to residents that formerly were issued to nonresidents.
4. Since FWP oversold the outfitter sponsored B-11 license in license year 1996, the revised goal is to sell 2,100 outfitter sponsored B-11 licenses. The license year 1997 price is \$675.
5. FWP receives 71,000 applications for elk permits each year. This number will not change due to the new recruitment of applicants.
6. FWP will make one-time computer changes and have ongoing records, hunter notification and management costs.
7. FWP will need a 1.00 FTE administrative support, grade 8, to assist in reviewing applications, notifying applicants and maintaining proper records.
8. The number of outfitter-sponsored hunts will be reduced.
