STATE OF MONTANA - FISCAL NOTE

Fiscal Note for HB0290, as introduced

DESCRIPTION OF PROPOSED LEGISLATION:

An act prohibiting throwing away lighted or burning material on public and private roads and railroad rights-of-way in this state; prohibiting dumping ashtrays containing matches, ashes, or cigarette or cigar refuse on public and private roads and railroad rights-of-way; providing a penalty; allowing administrative entities of roads and public transit operators to post copies of this act in conspicuous locations.

ASSUMPTION:

- 1. There would be minimal impact to the Department of Justice. The Highway Patrol Division only issued 4 citations for this type of offense in fiscal 1996.
- The Department of Transportation would post the act on bulletin boards at rest areas, department offices, and weigh stations. Roadway signing would not be required.
- For the Department of Transportation, the cost of printing and posting the signs should be offset by potentially less digarette residues to cleanup and reduced fire bazards.

FISCAL IMPACT:

There would be little to no impact to the state.
