IMP: 33-2-533 and 33-2-1517, MCA

3. Rule 6.6.4001 is being amended because the manuals referenced are updated on an annual basis. The amendments incorporate the most current manual.

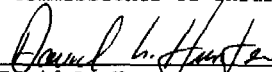

4. Interested parties may submit their data, views or arguments concerning the proposed amendment in writing to Jim Borchardt, Montana Insurance Department, P.O. Box 4009, Helena, Montana 59604, and must be received no later than February 26, 1999.

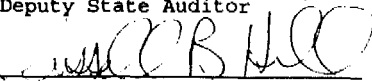

5. If a person who is directly affected by the proposed amendment wishes to express his data, views and arguments orally or in writing at a public hearing, he must make a written request for a hearing and submit this request along with any written comments he has to Jim Borchardt, Montana Insurance Department, P.O. Box 4009, Helena, Montana 59604. A written request for hearing must be received no later than February 26, 1999.

6. If the agency receives requests for a public hearing on the proposed amendment from either 10% or 25, whichever is less, of the persons who are directly affected by the proposed action; from the administrative code committee of the legislature; from a governmental subdivision or agency; or from an association having not less than 25 members who will be directly affected, a hearing will be held at a later date. Notice of the hearing will be published in the Montana Administrative Register. Ten percent of those persons directly affected has been determined to be 30 persons based on the 300 persons who have indicated interest in the rules of this agency and who the agency has determined could be directly affected by these rules.

7. The State Auditor's Office maintains a list of interested persons who wish to receive notices of rulemaking actions proposed by this agency. Persons who wish to have their name added to the list shall make a written request which includes the name and mailing address of the person to receive notices and specifies whether the person wishes to receive notices regarding insurance rules, securities rules, or both. STATE OF MONTANA

In the matter of the proposed) NOTICE OF PROPOSED AMENDMENT
amendment of a rule pertaining) OF ARM 8.20.417 DEFINITIONS
to definitions)

NO PUBLIC HEARING CONTEMPLATED

TO: All Interested Persons:

1. On February 27, 1999, the Board of Hearing Aid Dispensers proposes to amend the above-stated rule.
2. The proposed amendment of ARM 8.20.417 will read as follows: (new matter underlined, deleted matter interlined)

"8.20.417. DEFINITIONS (1) through (4) will remain the same.

~~(5) "Defective in fit or function" means a case, shell, component or circuit defect that prevents the purchaser from wearing and using the hearing aid.~~

(6) through (8) will remain the same, but will be renumbered (5) through (7)."

Auth: Sec. 37-16-202, 37-16-303, MCA; IMP, Sec. 37-1-304, 37-16-301, 37-16-303, 37-16-304, 37-16-414, MCA

REASON: The Board feels that this definition is redundant, as a hearing aid can be returned within 30 days from the date of delivery for any reason which would include defective aids.

3. Interested persons may submit their data, views or arguments concerning the proposed amendments in writing to the Board of Hearing Aid Dispensers, 111 N. Jackson, P.O. Box 200513, Helena, Montana 59620-0513, or by facsimile to (406) 444-1667, to be received no later than 5:00 p.m., February 25, 1999.

4. If a person who is directly affected by the proposed amendments wishes to present his data, views or arguments orally or in writing at a public hearing, he must make written request for a hearing and submit the request along with any comments he has to the Board of Hearing Aid Dispensers, 111 N. Jackson, P.O. Box 200513, Helena, Montana 59620-0513, or by facsimile to (406) 444-1667, to be received no later than 5:00 p.m., February 25, 1999.

5. If the Board receives requests for a public hearing on the proposed amendments from either 10 percent or 25, whichever is less, of those persons who are directly affected by the proposed amendments, from the Administrative Code Committee of the legislature, from a governmental agency or subdivision or from an association having no less than 25 members who will be directly affected, a hearing will be held at a later date. Notice of the hearing will be published in the Montana

Administrative Register. Ten percent of those persons directly affected has been determined to be 9 based on the 87 licensees in Montana.

6. Persons who wish to be informed of all Board of Hearing Aid Dispensers administrative rulemaking proceedings, or other administrative proceedings, may be placed on a list of interested persons by advising the Board in writing at 111 North Jackson, P.O. TO: All Interested Persons:

1. On September 24, 1998, the Board of Dentistry published a notice of proposed amendment, repeal and adoption of rules pertaining to the practice of dentistry, dental hygiene and denturistry at page 2541, 1998 Montana Administrative Register, issue number 18. On December 17, 1998, the Board of Dentistry published a notice of public hearing at page 3237, 1998 Montana Administrative Register, issue number 24 in response to requests for hearing from the denturists licensed in Montana. The hearing was held at 9:00 a.m. on January 11, 1999 in Helena, Montana.

2. The Board has amended ARM 8.16.409, 8.16.411, 8.16.608, 8.16.907, 8.16.1003, 8.17.403, 8.17.404, 8.17.405, 8.17.702, 8.17.706, 8.17.802, 8.17.812; repealed ARM 8.16.402B and 8.16.605C; and adopted new rule I (8.17.711) exactly as proposed.

3. The Board has thoroughly considered all comments and testimony received. Those comments, and the Board responses, follow:

COMMENT: Four comments were received in opposition to the proposed amendment of ARM 8.17.404(5) and requesting a public hearing.

RESPONSE: The Board held a public hearing as shown in paragraph 1 above in response to the requests for public hearing. In response to comments regarding ARM 8.17.404(5), the Board of Dentistry currently utilizes an outside testing agency which administers the examinations. The testing agency maintains the examination records and the integrity of the

examination within that agency. Therefore, the Board adopted the proposed amendment as proposed.

TO: All Interested Persons:

1. On September 10, 1998, the Board of Public Accountants published a notice of proposed amendment of the above-stated rules at page 2369, 1998 Montana Administrative Register, issue number 17.

2. The Board did not adopt the proposed amendment to ARM 8.54.410 as the Board has determined that the amendment may be in conflict with CI-75 passed by a vote of the people of Montana on November 3, 1998. The Board has amended ARM 8.54.418 exactly as proposed and has amended ARM 8.54.802 and 8.54.905 as proposed, but with the following changes:

"8.54.802 BASIC REQUIREMENT (1) and (2) will remain the same as proposed.

(3) ~~As of Beginning~~ July 1, 1998, ~~a portion at least two~~ hours of the 120 hours of acceptable continuing education credit must consist of knowledge and the application of board rules and how board unprofessional conduct rules may compare and contrast with the codes of professional conduct of certified public accountant and licensed public accountant primary professional organizations. These hours are not considered subjects related to the reporting on financial statements required in (2) above.

(4) and (5) will remain the same as proposed."

Auth: Sec. 37-1-319, 37-50-201, MCA; IMP, Sec. 37-1-306, MCA

"8.54.905 ALTERNATIVES AND EXEMPTIONS (1) A practice unit which has undergone an AICPA or board-sanctioned peer or quality review within three calendar years must file a copy of its peer or quality review report including letter of comments (if any), letter of responses (if any) thereto and acceptance of the review report, ~~if available, by the AICPA or other oversight agency.~~

(2) The board reserves the authority to request a practice unit to submit a copy of any or all financial statements and supporting workpapers ~~associated with for~~ engagements by a peer or quality review report.

(3) will remain the same as proposed."

Auth: Sec. 37-50-203, MCA; IMP, Sec. 37-50-203, MCA

3. The board has thoroughly considered all comments and testimony received. Those comments, and the Board's responses,

are as follows:

COMMENT NO. 1: One comment was received concerning ARM 8.54.410 Fee Schedule, stating that the rule should state that the fees are to be charged to cover all costs of the PMP program, including PEC.

RESPONSE: The Board acknowledged the comment, but did not adopt the proposed amendments to this rule because of the reason stated in paragraph 2 above.

COMMENT NO. 2: Two commentors addressed the new ethics course requirements under ARM 8.54.802(3). The commentors asked who would be offering the courses and if the requirement would be for every reporting period.

RESPONSE: The two credit ethics requirement would be required in every three-year reporting period. In addition, the Montana Society of Public Accountants would most likely develop courses which would assist licensees in meeting the requirement.

COMMENT NO. 3: One commentor suggested amending the language in ARM 8.54.905(1) to add the terms "letters of comments" and "letter of response", stating this language is the standard terminology used in the peer review program.

RESPONSE: The Board concurred and changed the rule as shown above.

COMMENT NO. 4: Two commentors suggested that the word "all" in ARM 8.54.905(2) might give rise to a substantial fee and that perhaps "any or all" would be more appropriate.

RESPONSE: The Board agreed and changed the rule as shown above.

pertaining to parole of a) 20.9.701 THROUGH 20.9.706

TO: All Interested Persons

1. On November 5, 1998, the Department of Corrections published a notice of the proposed adoption of new rules pertaining to parole of a youth confined in a state youth correctional facility at page 2943 of the 1998 Montana Administrative Register, Issue Number 21.

2. On November 25, 1998, a public hearing was held in Helena concerning the proposed adoption of new rules. Oral and written comments were offered at that time. Additional written comments were received prior to the closing date of December 3, 1998.

3. The Department has adopted new rules I through VI (20.9.701 through 20.9.706) exactly as proposed.

4. The Department has thoroughly considered all comments and testimony received. Those comments and the Department's responses thereto are as follows:

COMMENT 1: The Department received the following written comment regarding Rule II(1) (d):

The Community Corrections representative should be the prospective parole officer, or that person's designee. Currently the Miles City parole officer represents Community Corrections. He has no firsthand knowledge of the youth and has no vested interest in the case plan. The parole officer who should have been tracking this youth since his first appearance at the Youth Placement Committee seems to be the logical choice.

RESPONSE: This rule does not prohibit the designation of more than one Community Corrections representative. There is flexibility for the Administrator to appoint another member. This was debated, and it was decided that travel cost and consistency were issues that could best be addressed through a permanent Community Corrections representative. This representative is responsible for coordinating and presenting the concerns of the case officer. Department policy will require that on controversial cases, the Committee must include the youth's parole officer. It is the duty of the permanent Community Corrections representative to advise the youth's parole officer of the time and date the youth's case will be decided.

COMMENT 2: The Department received the following written comment regarding Rule III (2):

A third member, not affiliated with Community Corrections or the facility, should sit on the Committee which would allow for decisions to be rendered rather than delaying them due to waiting for an official Departmental decision and further, to lessen the potential for pulling the Director into situations which could easily be resolved otherwise.

RESPONSE: Most differences between Community Corrections and a facility are resolved without the Director's involvement. If a disagreement cannot be resolved, this is exactly the type of issue in which a Director should be involved. Consequently, delegating this authority or putting someone else in this difficult decision-making role seems inappropriate.

COMMENT 3: The Department received the following written comment regarding Rule IV:

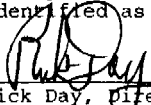

It fails to address the listed factors when revocation is on technical violations. There are offenders who have numerous revocations, sometimes five or more, who still receive a standard sixty days. These listed factors should play a part in length of stay for revoked parole violators as well.

RESPONSE: The issue of accountability for a parole revocation merits further discussion. However, this matter is best addressed in policy. Policy presently provides for a sixty day standard length of stay for offenders who are revoked. The Department will specifically review this approach for policy change.

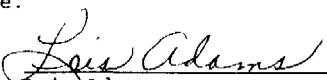

COMMENT 4: The Department received the following written comment regarding Rule VI:

The decision-making responsibility for emergency release resides solely at the discretion of the superintendent of the institution. Parole officers are given courtesy notification of placements, but are not actively involved in the decision-making process, and further, there is no mechanism to appeal if the officer is adamant that the release is not appropriate. Juvenile parole must be allowed to actively be involved in the process with a clearly defined protocol for appeal.

RESPONSE: Placing the decision-making authority in the superintendent relates primarily to the system's capacity problems. At the present time, a decision must be made in a timely fashion and has been left with the superintendent. Policy does restrict release to those juveniles who have been identified as eligible for release.

HOW TO USE THE ADMINISTRATIVE RULES OF MONTANA AND THE
MONTANA ADMINISTRATIVE REGISTER

Definitions: Administrative Rules of Montana (ARM) is a looseleaf compilation by department of all rules of state departments and attached boards presently in effect, except rules adopted up to three months previously.

Montana Administrative Register (MAR) is a soft back, bound publication, issued twice-monthly, containing notices of rules proposed by agencies, notices of rules adopted by agencies, and interpretations of statutes and rules by the attorney general (Attorney General's Opinions) and agencies (Declaratory Rulings) issued since publication of the preceding register.

Use of the Administrative Rules of Montana (ARM):

- | | |
|-------------------------------|--|
| Known Subject Matter | 1. Consult ARM topical index. Update the rule by checking the accumulative table and the table of contents in the last Montana Administrative Register issued. |
| Statute Number and Department | 2. Go to cross reference table at end of each title which lists MCA section numbers and corresponding ARM rule numbers. |

ACCUMULATIVE TABLE

The Administrative Rules of Montana (ARM) is a compilation of existing permanent rules of those executive agencies which have been designated by the Montana Administrative Procedure Act for inclusion in the ARM. The ARM is updated through September 30, 1998. This table includes those rules adopted during the period October 1, 1998 through December 31, 1998 and any proposed rule action that was pending during the past 6-month period. (A notice of adoption must be published within 6 months of the published notice of the proposed rule.) This table does not, however, include the contents of this issue of the Montana Administrative Register (MAR).

To be current on proposed and adopted rulemaking, it is necessary to check the ARM updated through September 30, 1998, this table and the table of contents of this issue of the MAR.

This table indicates the department name, title number, rule numbers in ascending order, catchphrase or the subject matter of the rule and the page number at which the action is published in the 1998 and 1999 Montana Administrative Registers.

To aid the user, the Accumulative Table includes rulemaking actions of such entities as boards and commissions listed separately under their appropriate title number. These will fall alphabetically after department rulemaking actions.

BOARD APPOINTEES AND VACANCIES

Section 2-15-108, MCA, passed by the 1991 Legislature, directed that all appointing authorities of all appointive boards, commissions, committees and councils of state government take positive action to attain gender balance and proportional representation of minority residents to the greatest extent possible.

One directive of 2-15-108, MCA, is that the Secretary of State publish monthly in the *Montana Administrative Register* a list of appointees and upcoming or current vacancies on those boards and councils.

In this issue, appointments effective in December 1998, appear. Vacancies scheduled to appear from February 1, 1999, through April 30, 1999, are listed, as are current vacancies due to resignations or other reasons. Individuals interested in serving on a board should refer to the bill that created the board for details about the number of members to be appointed and necessary qualifications.

Each month, the previous month's appointees are printed, and current and upcoming vacancies for the next three months are published.

IMPORTANT

Membership on boards and commissions changes constantly. The following lists are current as of January 8, 1999.

For the most up-to-date information of the status of membership, or for more detailed information on the qualifications and requirements to serve on a board, contact the appointing authority.
