The Montana Family Transition Project offers you the chance to decide what's next for your family, instead of going to court and having a judge decide. A trained professional mediator will help you and your co-parent talk through the issues and make a plan that will work for your lives. You can also get legal advice from an attorney and help calculating child support, all at no cost to you. Both parties need to participate.

To qualify, you and the other party must:

- *need a parenting plan or divorce*
- *Have at least one child*
- *Have a case in a Montana court or be planning to file in Montana*

At least one of you must

- *Not have a lawyer*
- *Meet certain income requirements*
