

Pretrial Diversion Performance Measurement Overview Lake County

January 1, 2019, to December 31, 2024

- **Maximize public safety by reserving detention for those offenders who pose the greatest risk to reoffend or fail to appear in court.**
- **Maximize court appearance.**
- **Maximize the appropriate use of release and detention by use of services designed to fulfill the two goals stated above.**

- 
- Data is collected using the AutoMon case management system. The data still contains “noise” and will continue to need refinement. *(Please note that percentages were rounded and may not add to 100%)*
 - The attached report captured all cases closed Lake County between January 1, 2019, and December 31, 2024. During that time-period, 872 or 99% of the Public Safety Assessment-related cases were closed. (PMR report – 2 as a percentage of 1)
 - About 48% or 419 defendants were released pre-trial from detention. (3 as a percentage of 2) Of those, about 74% were released on their own recognizance. (6 as a percentage of 3) The other 26% had some form of cash bail required for release.
 - Of the defendants not released pre-trial, 23% were a level 1 on the PSA, 50% were a level 2, and 27% were a level 3. (15, 16, 17 as a percentage of 11)
 - For defendants released pre-trial, 94% reported to their court appearances. *(**Please note this reflects cases in which a warrant was issued for the failure to appear. If a defendant did not appear but a warrant was not issued, it is not counted as it doesn't exist in the database.)* (18 as a percentage of 3)
 - In the closed cases, 91% of the defendants remained law-abiding. (19 as a percentage of 3) 19 people were arrested for new misdemeanors and 20 for new felonies. 14 of these were violent offenses.
 - The OCA does not maintain or collect county jail data. Thus, it is difficult to assess the impact on overall jail populations, which include not only pre-trial defendants, but people convicted who are awaiting a Department of Corrections placement, serving a misdemeanor sentencing, or awaiting the outcome of a probation violation. Several detention facilities also house federal inmates.
