Dear Sir or Madam:

I am writing to express my support for Bina Peters as Associate Water Judge at the Montana Water Court. I have worked with Bina in many instances as she helped my CPA clients with difficult and complex water rights representation and adjudication. In all instances my clients benefitted from Bina's expertise and understanding of Montana water law.

I strongly recommend Bina for this Judge position. Her knowledge and experience makes her well qualified for this very important role. As an attorney in private practice that specializes in water rights and water law, Bina has represented a variety of water rights owners providing her a depth of experience that is hard to find.

My contact information is below. If I can provide you with any further information to support Bina Peters' qualifications for Associate Water Judge, please let me know.

Sincerely,

Randy Newberg
